POT O'GOLD: 1951

On pages 2 through 9 you find the pictures of the **Campus and Depot Dedication**, the first station stop of your 1951 yearbook journey. Enroute, page 10 to 17, you view **Student Life** as seen through the eyes of the Pot O' Gold camera. Page 18 presents the **Timetable Of Events**. From page 19 to page 29 you greet your **Administration and Faculty**. The first layover comes on pages 33 through 86 for a visit with the **Classes**. Since **The Pot O' Gold** and **The Prism** highlight the school program, they rate special attention on pages 88 to 91. Included in your itinerary will be the **Added Tours** described from page 93 to 128. **Athletics**, a major point of interest on your excursion, attracts you from page 129 through page 143. As the "DeVilbiss Limited" pulls into its union terminal, you come at last to the **Directory And Advertising**, pages 145 through 168.

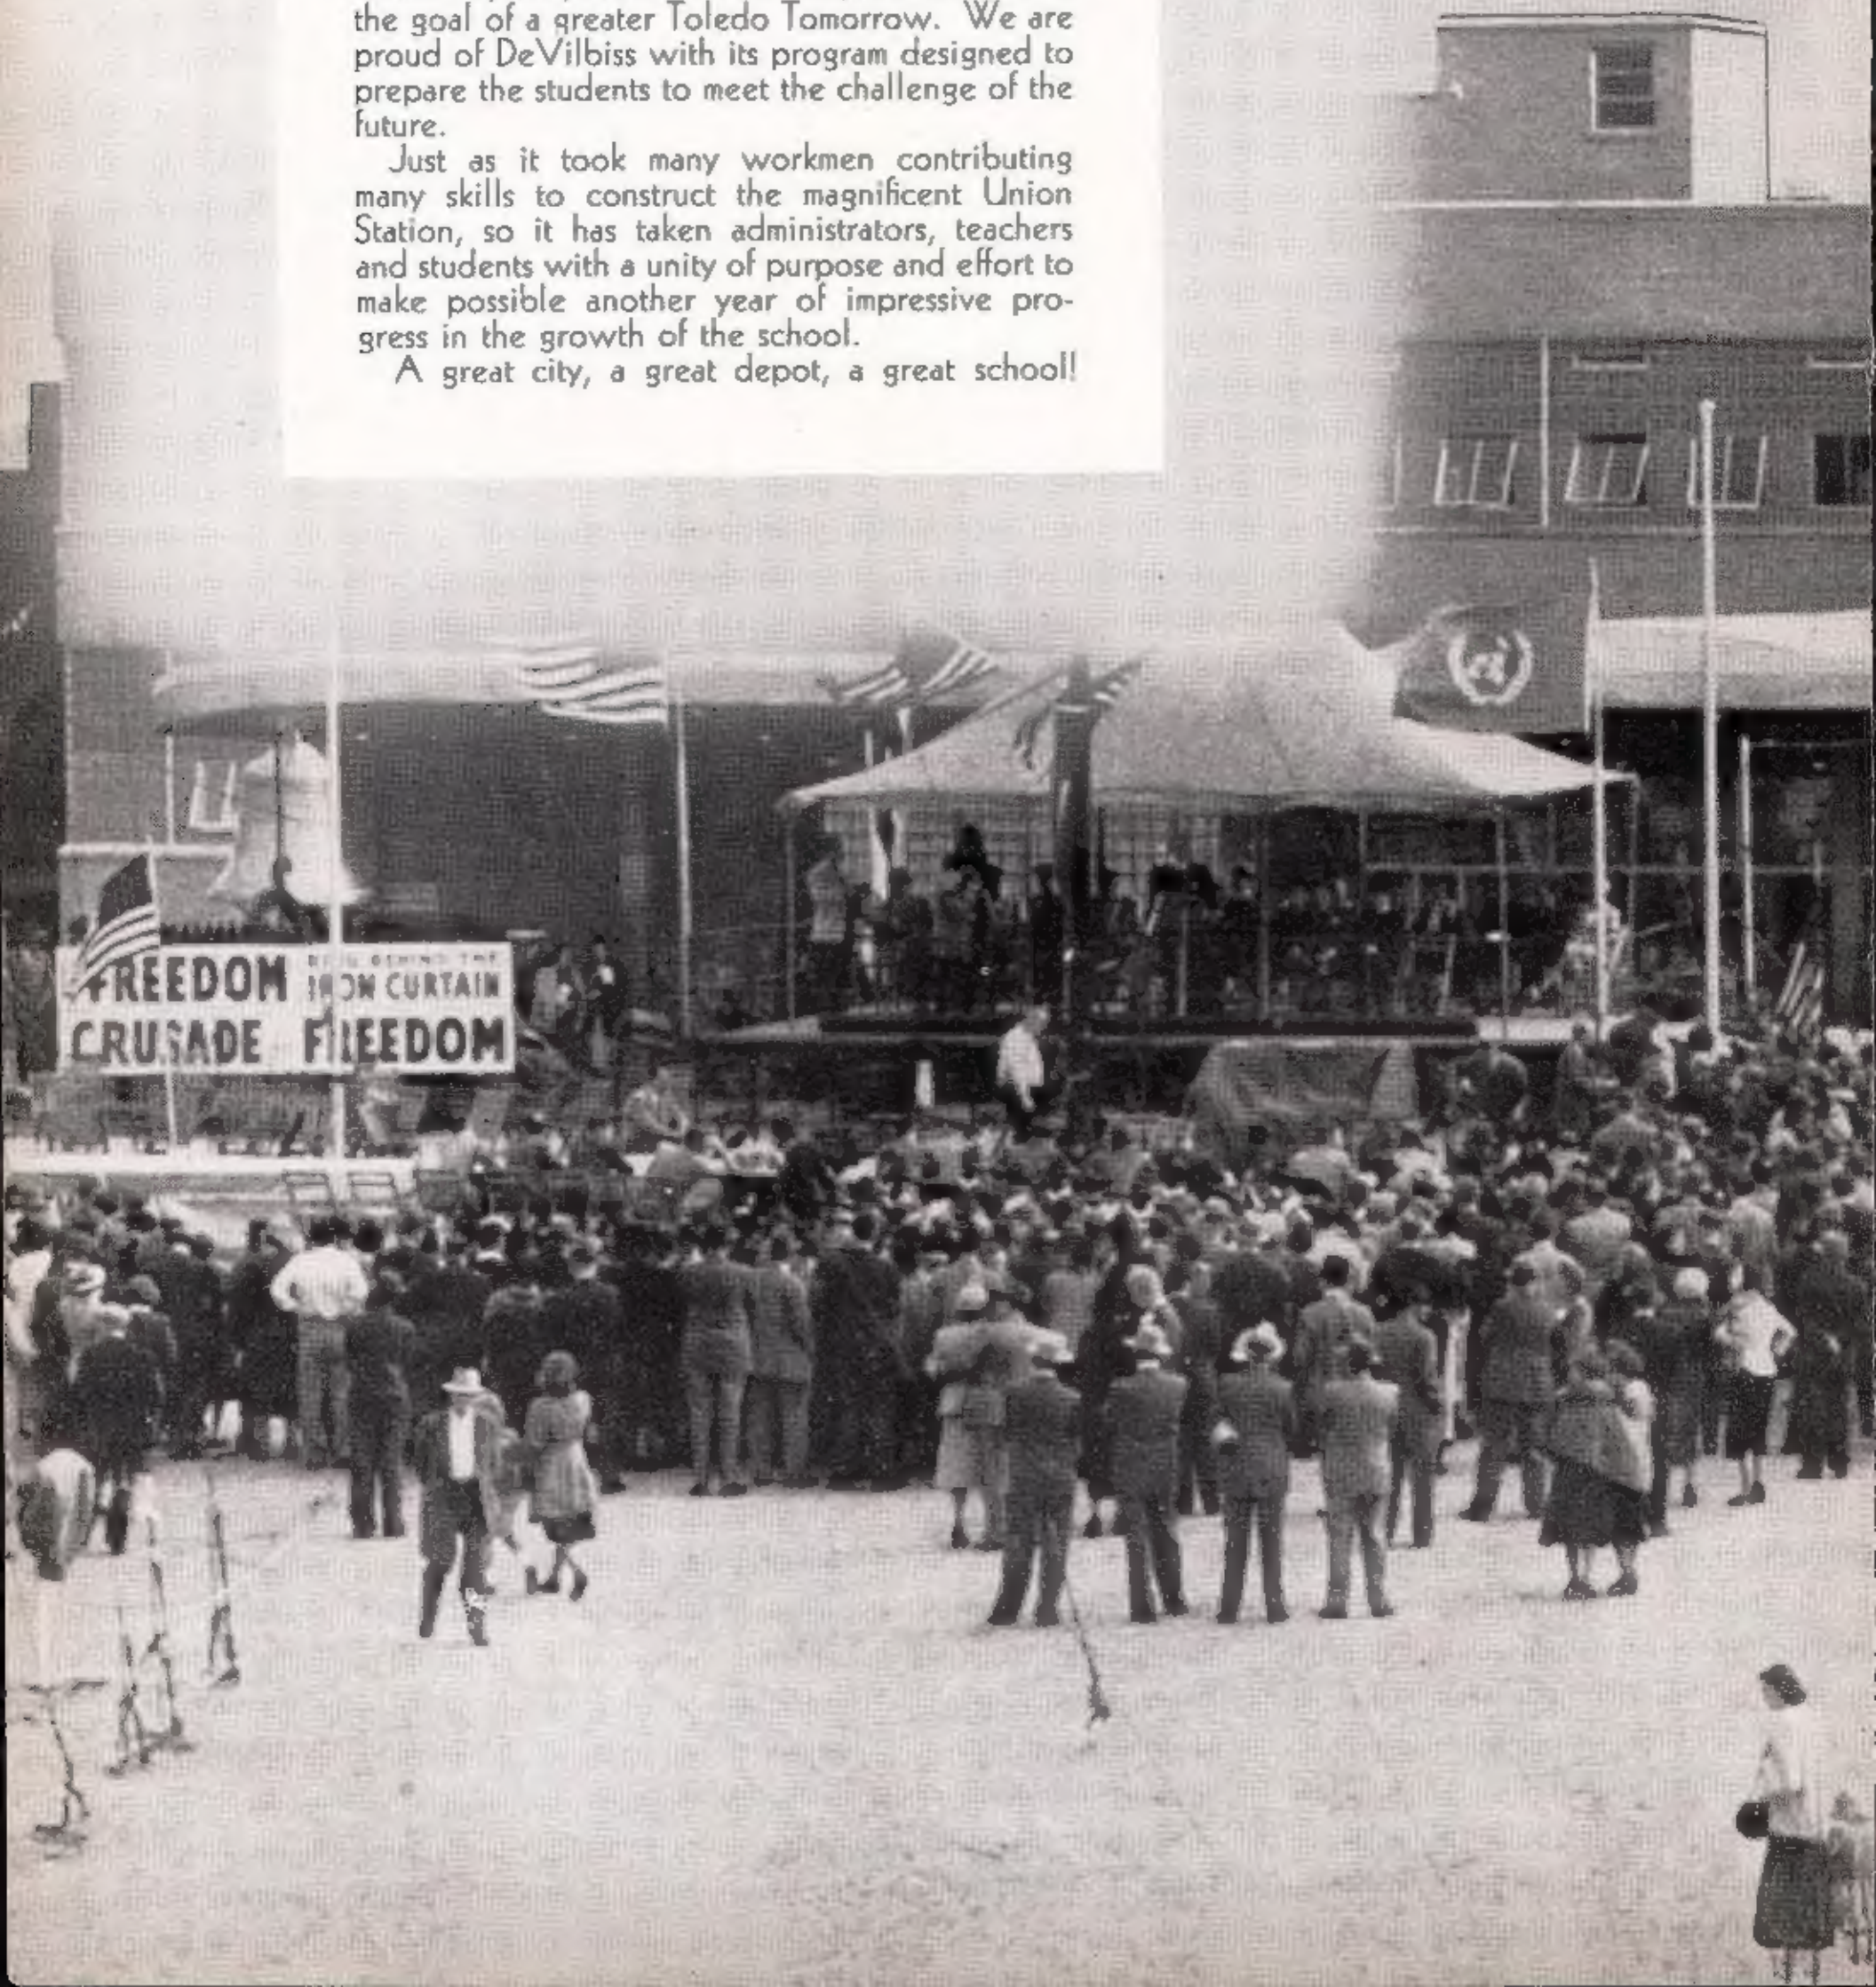

WE'RE BOTH GOING PLACES

With the same pride that Toledo took in presenting you with the new Central Union Terminal, the Pot O' Gold staff offers you this edition of your yearbook.

We are proud of the handsome multi-million dollar structure erected by the New York Central System, and the stride it represents toward the goal of a greater Toledo Tomorrow. We are proud of DeVilbiss with its program designed to prepare the students to meet the challenge of the future.

Just as it took many workmen contributing many skills to construct the magnificent Union Station, so it has taken administrators, teachers and students with a unity of purpose and effort to make possible another year of impressive progress in the growth of the school.

A great city, a great depot, a great school!

Gerlach and Markhus Head Drive

Under the able leadership of Don Gerlach, Commissioner of Welfare, and Roger Markhus, Commissioner of Finance, the Magazine Drive was again an accomplishment for DeVilbiss to be proud of.

With such prizes as gift certificates, luggage, a typewriter, radios, school rings and season basketball and feature movie tickets as incentives, DeVilbiss students sold over \$14,000 worth of subscriptions.

Besides stimulating competition among students and among classes, the selling of magazines provided a practical experience for every salesman.

The workers behind the scenes—the Welfare and Finance Committee members—were given recognition

Whitfield Reigns At "Football Frolic"

Under the supervision of the homerooms of Mrs. Virginia Francis, Mr. Karl Huls, Miss Fern Dickey and Miss Marie Lerche, the Froshmores had their own football celebration. After dancing to the music of Jimmy Rhor's Orchestra, they enjoyed a program in the auditorium. Students of the Freshman and Sophomore classes entertained with songs, dances and variety acts

In keeping with their theme of football, a queen and her attendants—Miss Graceful, Miss Personality, Miss Beautiful and Miss Glamorous—were elected. To bring their party to a close, the Froshmores climaxed their evening with a grand march led by the newly elected queen, Miss Donna Whitefield and her attendants.

Contacts Make Friends In Other Lands

The filling of Red Cross gift boxes has always been a main event at DeVilbiss. Under the supervision of Miss Aurelia Quinn, Director of Junior Red Cross at DeVilbiss, everyone helps. Each homeroom gives at least one box; many give two or three. Every box contains soap, tooth paste, a comb, a washcloth and a tooth brush. In addition, little luxuries such as toys, games and ribbons are included. This year the students filled seventy-five boxes, sent them to Miss Quinn; after checking them over, she had girls decorate the boxes.

About Easter time children abroad will be delighted because of the sharing spirit of the DeVilbiss Chapter of the Junior Red Cross

Froshmores Plan Social Program

Enthusiasm helped the Froshmores to make their social dances some of the most looked-forward-to events for the underclassmen. The two classes, the Freshman and the Sophomore, this year for the first time are co-operating in a social program.

They opened their year with the dance "Friendship Frolic" on the night of October sixth. Originality sparked their entertainment at the Christmas party on December fifteenth when they presented a scene in a typical home on Christmas Eve.

The Froshmores ended their year with a semi-formal prom on May eighteenth. Because of the continued success of the Froshmore setup, we're sure that the Froshmore organization will become a part of DeVilbiss.

Hilarious Scene from Play

"Good Night Ladies" Tremendous Success

The initial project of the class of '52, their play "Good Night Ladies" directed by Sam Emery, proved to be a howling success.

Jane and Helen, played by Shirley Black and Lou Ellyn Alexander, are starting a dormitory at Grayson College, and their aunts have agreed to come and be the house mothers. The aunts fail to arrive on time and Jug and Sam (Tom Benson and Jim Jackson) have to dress up and pretend to be the house mothers so Dean Eggleby (Mair yn Olson) won't cancel the dormitory arrangements.

Although Jug and Sam are very convincing aunts, complications arise. The boys' secret leaks out as they reenact their interview with Dean Eggleby to the girls.

The day is saved, however, by Professor Dexter (Joe Gillis) who is in love with the real Aunt Flora and defends the girls.

← A Salute To The DeViltries

DeViltries Acclaimed Best Ever

Amid a great flurry of color, excitement, and work, the DeViltries became a show unequalled by any previous performance. The steering committee held a contest for a title for this year's production based on the theme that "In America everyone, whether rich or poor, has an equal opportunity to develop skill and talents." The prize-winning title was "Behind the Canvas Curtain."

The numerous committees helped to make this DeViltries the best ever by their co-operative efforts and the uncounted hours they devoted to the creation of this production.

Singers, dancers, comedians, actors, and musicians found tryout competition keen. The lucky contestants spent long hours after school perfecting their parts in the show.

Thus time and talent made the '51 edition of the DeViltries one of the most eagerly anticipated events of the year

D.U.N.A. Dramatizes Functions of U.N.

October 22, more than five hundred local high school and area representatives interested in world affairs attended the first youth rally to be sponsored by the Toledo United Nations Association.

Joseph Harsch, international affairs analyst, was the guest speaker. Then the students formed discussion groups headed by experts in all aspects of international affairs. After a buffet supper and social hour the DeVilbiss group presented a skit on the activities of the U. N. and its related agencies.

D. U. N. A., the first high school chapter of T. U. N. A., was planned under the advisership of Miss Rose Bloom and Miss Olive McHugh. It is hoped that other high school groups in Toledo will become interested in working toward a better understanding of the functions of the U. N., by establishing similar study groups.

← Seniors Sponsor Chest Circus

Bloom's English Class Manages Chest Campaign

The Community Chest Circus was the theme of the annual Community Chest Drive this year sponsored by Miss Bloom's First Hour Senior English Class. It has been traditional for twelve years for Miss Bloom's class to steer this drive.

There was competition among all of the first hour classes to see which one could bring in the largest percentage of its goal. Although many classes achieved their quota, Mrs. Ethel Pasquier's class came out first. As the campaign progressed classes were awarded, day-by-day, circus symbols. But what everyone was really working for was a ticket to the Community Chest Circus, a rewarding program of student talent.

To the campaign DeVilbiss gave over two thousand dollars, an excellent showing, one-tenth of the total of all Toledo public schools. Congratulations Miss Bloom and class!

B-I-E Day

Business · Industry · Education

*... For a More Complete and Better Understanding of
American Business Enterprise in Action ...*

No school today! On October 4th while school children enjoyed a vacation, the teachers were initiating the B.I.E. Day. B.I.E.—Business Industry Education—was begun to bring the educators and leaders of industry into closer understanding of each other's problems.

Teachers numbering 1850 from thirty-seven parochial and fifty-six public, elementary, and high schools visited fifty-three firms to see the wheels of business and industry in action.

Early in the morning all the teachers met in the Sports Arena to prepare for the day. This session was the first time area teachers of parochial and public schools had ever met together.

From the Sports Arena the teachers rode to the industries and businesses. Tours, discussions, addresses and luncheons were planned so that the educators could see theoretical things they teach in class carried out by the working world.

At 3:30 the teachers returned to the Sports Arena to fill out report cards rating the day. All concerned seemed to feel it deserved an "A."

A reverse day on which the business and industrial leaders will visit the schools is planned for the spring.

Principals In DeVilbiss Activities

MERRITT C. NAUTS . . .

Behind the many phases of school life in DeVilbiss, we will find the hard work, the intelligence, and the devoted interest of one man — Mr. Merritt C. Nauts. Under the guidance of his skillful hands we of DeVilbiss have had our lives enriched and broadened in countless ways. His belief in the ability of youth is supplemented by his knowledge in developing that ability. Well might we students look to Mr. Nauts as the leader in academic and administrative phases of school life.

MILDRED A. PASCH . . .

If one word could describe Miss Mildred Pasch, our Dean of Girls, the word would be sincerity. Always taking an interest in every girl and her problem, whether personal or academic, Miss Pasch with her firm, serene manner has helped many girls to have a pleasant memory of DeVilbiss.

RUSSELL BROWN . . .

One of the best known and best-liked men in our high school is our Dean of Boys, Mr. Russell Brown. Long after we have closed the door of our life at DeVilbiss we will feel the influence of Mr. Brown for his creed is kindness; his advice, honesty; his treatment, fair dealing.

DON SHARPE . . .

The faculty has been fortunate this year in having as its president Donald Sharpe. Inspired by Toledo's B.I.E. Day, he planned the monthly Faculty program around vocations. The interest in these programs is shown by the increased attendance at faculty meetings. A vote of thanks to Mr. Sharpe for taking a hard job and doing it well.

... We express our gratitude to them
for their faith in DeVilbiss ...

The Administration, the Faculty, and the Students of DeVilbiss were saddened this year by the death of Andrew F. Leiser. For fifteen years Mr. Leiser has been a teacher in the Toledo Public schools; the last five as a member of our English department.

He was a lifelong resident of Toledo and a veteran of World War II. He was active in the Toledo Federation of Teachers and the Y.M.C.A. The students will long remember Andrew Leiser for his individual personality, his classroom manner, and his teaching techniques.

Mr. Andrew F. Leiser

Robert E. Rettig

Rettig Advises Effective Program of Student Activities

Much of the enviable reputation which DeVilbiss has among public high schools can be attributed to the tireless efforts of Mr. Rettig, Director of Activities in DeVilbiss.

Mr. Rettig supervises the maintenance of the movie room, the auditorium, stage and projection room, the running of the monthly feature movies, the students' lunch periods, and the auditorium programs.

Besides these routine jobs, which he handles so well, Bob is one of the finest basketball coaches in the city as his team's records show.

Mr. Rettig's fine standards and leadership ability also combine to make certain that law and order are kept in the school. Another job of Rettig's is the supervision of all Student Council functions.

Since he believes that the school is the place where leadership is developed, he applies the philosophy of "learning by doing". It is through this philosophy and his liberal views that the people of the Student Council and of the whole school feel a definite responsibility toward themselves and the school.

Student Council, Commissioners Work for a Great DeVilbiss Today, for a Greater DeVilbiss Tomorrow →

This past year is one which all of us on the Student Council will remember. Through the activities of the Council, all of us have had a real opportunity to live and work with others and to share the fun and responsibility which our jobs demanded.

Our President, Jim Smith, presided over the many Commissioners' meetings as well as over the regular meetings of the Home Room Representatives. In October, our **Welfare Commission**, under the Chairmanship of Don Gerlach, supervised the biggest project of the year—the huge magazine drive. Then this commission managed the class elections. The **Organizations Commission**, headed by Larry Bershon, chartered clubs, scheduled their meetings, and checked their memberships. Roger Markus and his **Finance Commission** handled the money for the magazine drive and from all the ticket sales for school programs. The school's hall patrol and auditorium guards were under the direction of Don Klotz and the **School Service Commission**. Walter Milbourne, **Justice of the Student Court**, and his commission reviewed and penalized cases of misdemeanors. The many posters decorating the bulletin boards and advertising school affairs were the work of Ann Frybarger and her **Publicity Commission**. Sue Pirner, **Commissioner of Assemblies**, was responsible for the planning and the staging of all

athletic mass meetings. The "Pot O' Gold" and "Prism" had Student Council representation through their editors, Barbara Tussing and Bruce Steinhauer. The two Revelries parties were planned by Barbara Toth and her group on the **Social Commission**. The sale of savings stamps and the collection of money for the Red Cross, the March of Dimes, etc., were handled by the **Community Service Commission** headed by Natalie Hessler. Lary Faris and the **Athletic Commission** represented the various athletic groups. Just one of their projects was the ping-pong tournament with a trophy for the winner. To Barbara McLain's **Award Commission** fell the job of computing the activities points for every senior. At the end of the year this committee gave certificates of awards to deserving seniors.

Then, since all good businesses have a good secretary, we had one, too. This year's **Clerk of the Board** was Alice Lee.

This school year probably was the most eventful year in DeVilbiss for us. We have worked hard, but we've had a lot of fun. We'll never forget the "olde workshope"—Room 122—with the incomparable Mr. Rettig as the boss.

Left around table: Bruce Steinhauer, Barbara Tussing, Don Gerlach, Natalie Hessler, Larry Bershon, Barbara Toth, Walter Milbourne, Jim Smith, Alice Lee, Barbara McLain, Roger Markus, Ann Frybarger, Lary Faris, Sue Pirner, Don Klotz.

DeVilbiss, DeVilbiss Is Our Cry!

The majorettes of DeVilbiss High School added a colorful touch to all athletic events. The girls and the band provided entertainment during halves of the football games. Their half-time shows portrayed some historical event with the majorettes highlighting the performances with appropriate costumes and clever dances.

Much of the DeVilbiss school spirit during athletic contests can be credited to the cheerleaders. These

students devote a lot of their time preparing novelty yells so that the spectators are able to cheer the team to victory. As an assurance that DeVilbiss will have good cheerleaders in the future, the veterans started a class for interested prospects. These students spent many nights teaching this class and the evidence of their efforts will be found in the next several years. All in all these boys and girls have worked hard and the school owes them a big "Thank You."

POPULARITY AND PERSONALITY ELECTED THESE QUEENS

To be chosen a Homecoming or Night Relay Queen of DeVilbiss is an honor which every girl hopes to experience. The popular love-ies on this page are the ones whose dreams were fulfilled. Weeks before the DeVilbiss-Woodward game and long before the Night

Relays, the respective athletic teams nominated their favorites. The students then had the responsibility of electing the girls who they thought were worthy of having such recognition. The students made good choices for DeVilbiss was proud of its queens.

A'Cappella Choir

J. Philip Zaugg, Director

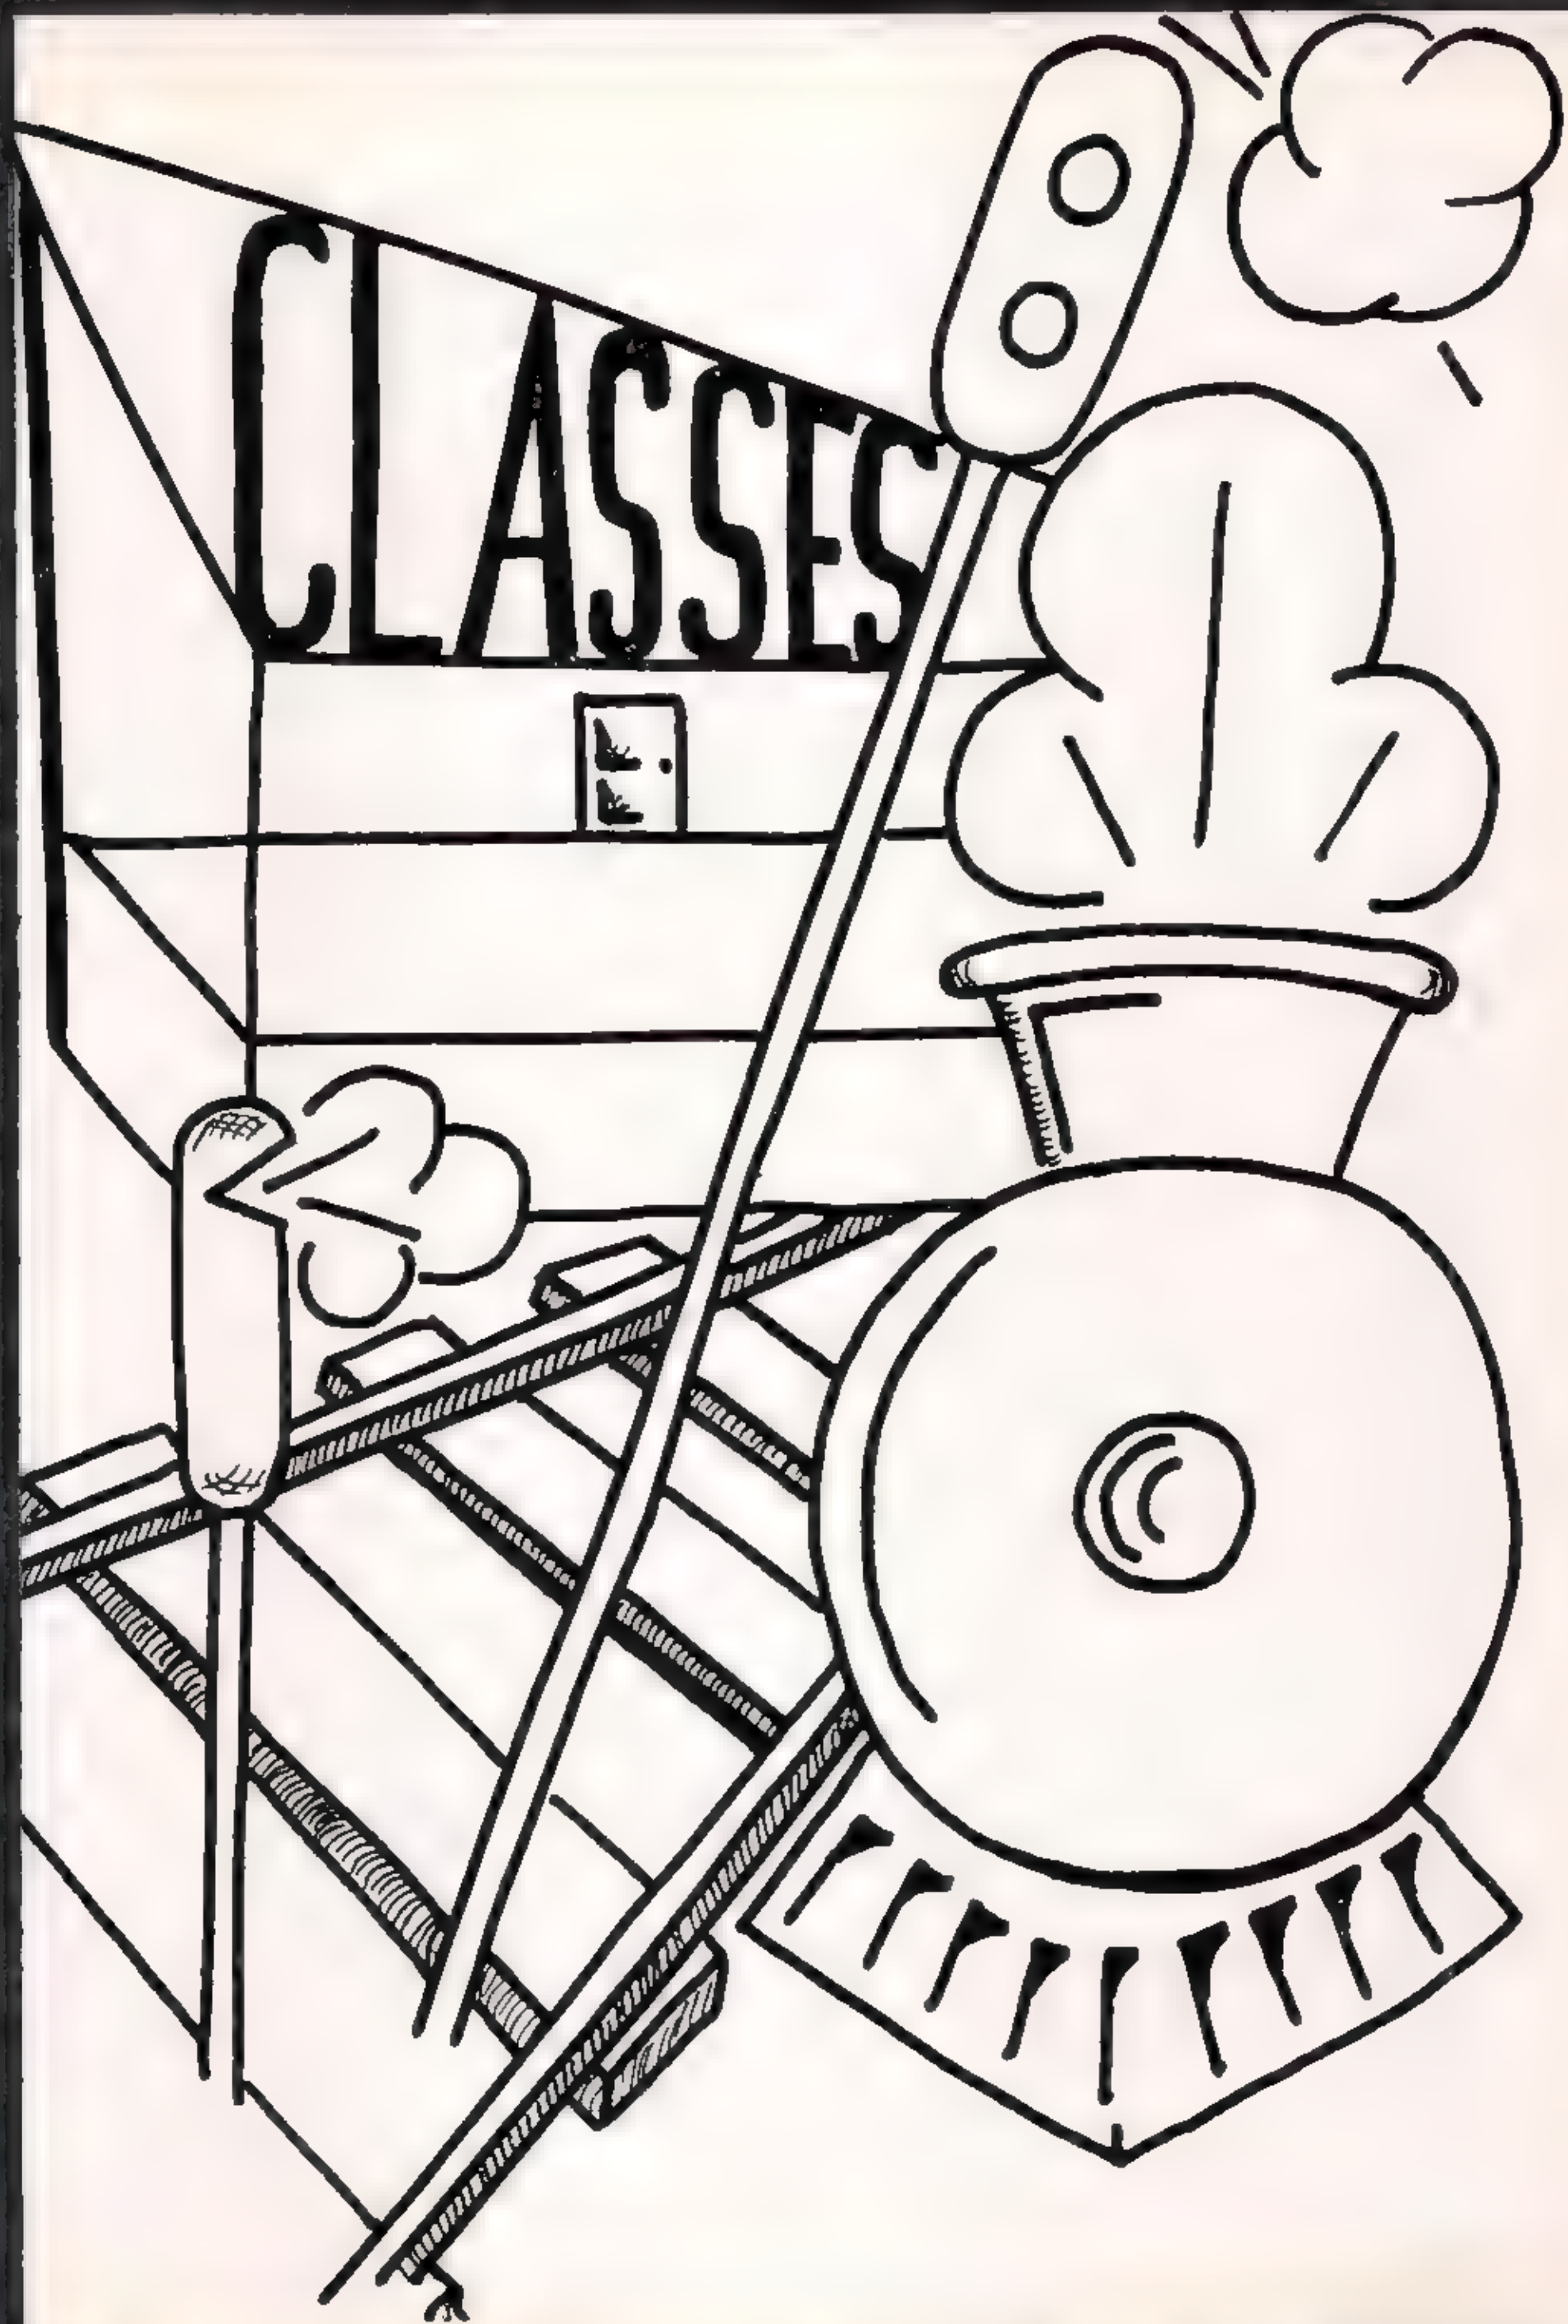

We're on our way again! This year it's New Orleans or bust. Members of the choir have saved their money and made weekly payments. Everyone received a thrill from the two NBC broadcasts—one in Mobile, Alabama, and one in New Orleans. The boat trip up the Mississippi River was wonderful and the Bellingrath Gardens at Mobile were spectacular. We had a hard time deciding which trip we had enjoyed most—last year's visit to Washington, D.C., where we made recordings with the navy band for two broadcasts, or our most recent one south.

Of course we have been working and singing here in Toledo as well. Outstanding among the performances of the choir were the times we sang with the Toledo Symphony Orchestra in December, the concert we presented in March all by ourselves here at school, the high school choral festival and the television broadcast on WSPD-TV in February. The A'Cappella also sang for Kiwanis, DeVilbiss, Federation of Woman's Clubs, the State Hospital, the May Festival here at DeVilbiss and a radio broadcast at WTDS. We sang for a Lenten service at Trinity Church and for the Good Friday service at the Paramount.

Each year the choir aims for a high professional standing. The music we sing is a variety of selections ranging from early choral music to "The Birth of the Blues". This year our director, Mr. Zaugg, was assisted by the accompanists Bill Gill and Marilyn Hall, who do very fine duo-piano work as a pastime. Jim Ernsberger and Bill Gill handled the executive end as President and Vice-President. Shirley David kept the records straight under the title of Secretary-Treasurer; Carmen Lincoln spent her time guarding all of the music, while Betty Jean Thornton acted as Publicity Chairman. The A'Cappella is the parent of a girls' and boys' quartet. Many fine soloists can also be found singing in M-15 every third hour. Sometimes we find it difficult to squeeze all fifty-seven of us in some of the small places where we sing, but we always manage in the end. We seem to be known for our famous apparel which the members prefer to call their "nightgowns" and "monkey suits".

Yes, we're on our way. Up, up the ladder of fame, finesse, and fun.

CLASSES

Freshmen Complete Preparations for Trip

L. to R.—Tom Crawford, President; Mary Finkbiner, Treasurer; Dick Smith, Vice-President; Lois Stewart, Secretary.

"We're on our way." Certainly this is an appropriate slogan for the newest aggregation to our Journey through DeVilbiss—the Class of '54.

Under the excellent guidance of their "conductors", Miss Ursula Schmit and Mr. Hector Watts, the Freshman class has made a fine start on its way to a successful and profitable stay in DeVilbiss.

With their big brothers, the Sophomores, the Freshmen have given several terrific parties ranging from the popular "hobo" to the "party dress" type. These social events, which have been based on the various holiday themes, attracted not only a great number of the "Frosh-mores" but proved to be very popular with the upper classmen on guest night.

The field of athletics has also felt the influence of this energetic class. At the football games, the basketball games, and the Night Relays, the Freshmen cheered their teams on to victory. Not content with cheering alone,

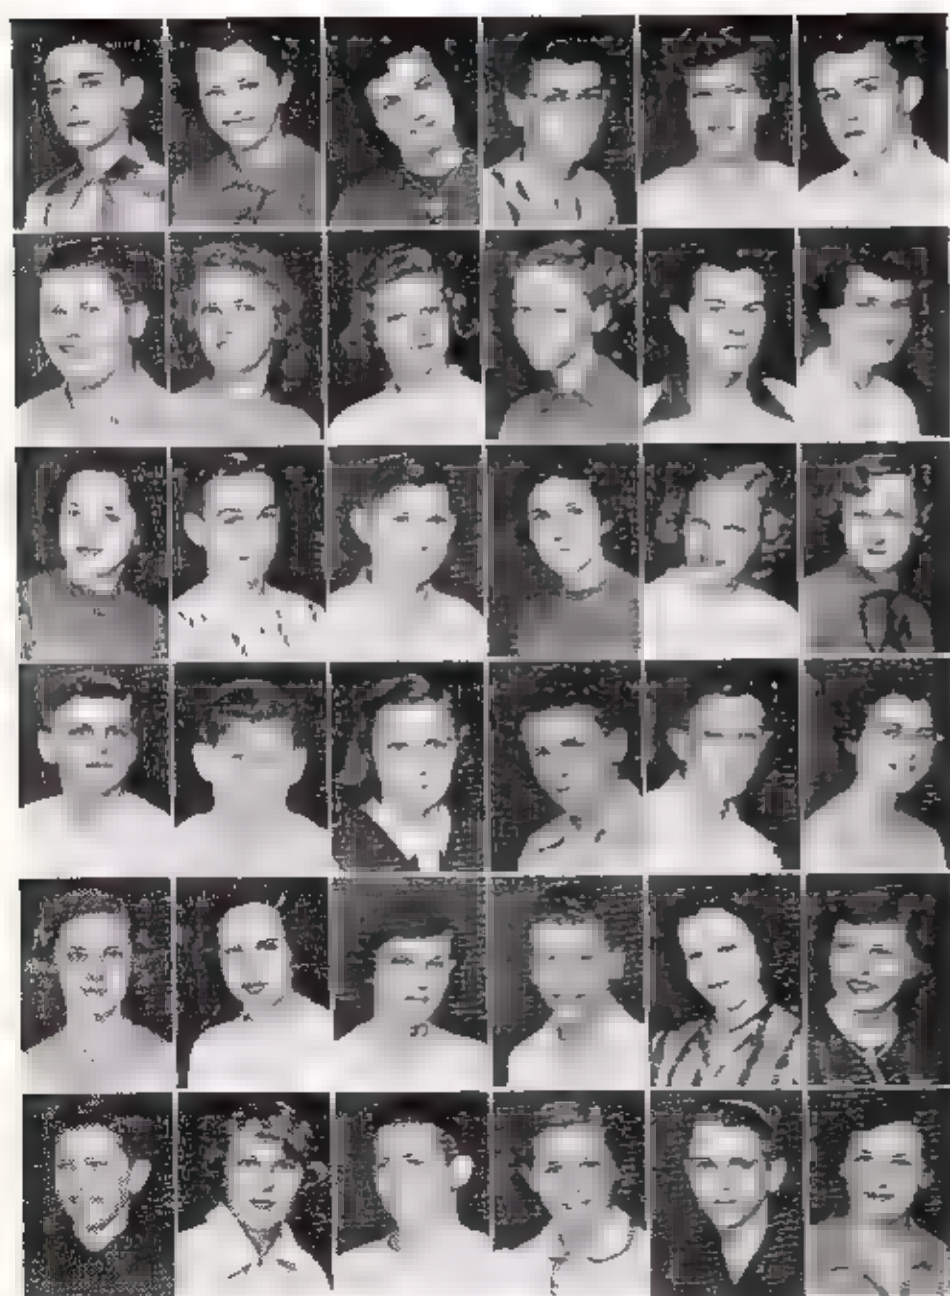

they organized their own football team which placed first in intra-city competition.

To prove that they are not all brawn and no brains, they placed a large representation of their number on the Honor Roll. Many of them also qualified for Libbey Scholarships.

During the course of the year members of the Class of '54 have determined the goals to work toward in the remainder of their stay at DeVilbiss. Student Council commissions offer attractive positions to many. Others who possess talents are anticipating the class plays and variety shows.

If the enthusiasm, and co-operation and ability already displayed by the Class of '54 are reliable talismans, there is no doubt that this will be one of the best classes DeVilbiss has yet seen.

Bon Voyage, Freshmen!

Mr. Hector Watts and Miss Ursula Schmit Aid Frosh with Preparations

The Class of '54 has been very fortunate this year to have as its faculty advisers, Miss Ursula Schmit and Mr. Hector Watts. Whenever the energetic freshmen initiated a project they found their leaders ready with time and ideas.

Miss Schmit, who has taught Spanish in DeVilbiss for several years, has found time to advise activities in the extra-curricular field and has become a great favorite with her club members as well as with the Freshmen.

Mr. Watts came to the Physical Education Department of DeVilbiss this year as an exchange teacher from England. During his short stay, he has made many friends among the student body and faculty. When our talent scouts discovered that he was an accomplished pianist, they employed his talents in the "DeViltries of 1951."

With such versatile and co-operative leaders, the Freshman Class is destined to have an active and satisfactory future.

Sophomores Entrain, Destination Graduation

L. to R.—Jim Shearon, President, Martha Green, Vice-President, Don Kaul, Treasurer, Nancy Schumm, Secretary

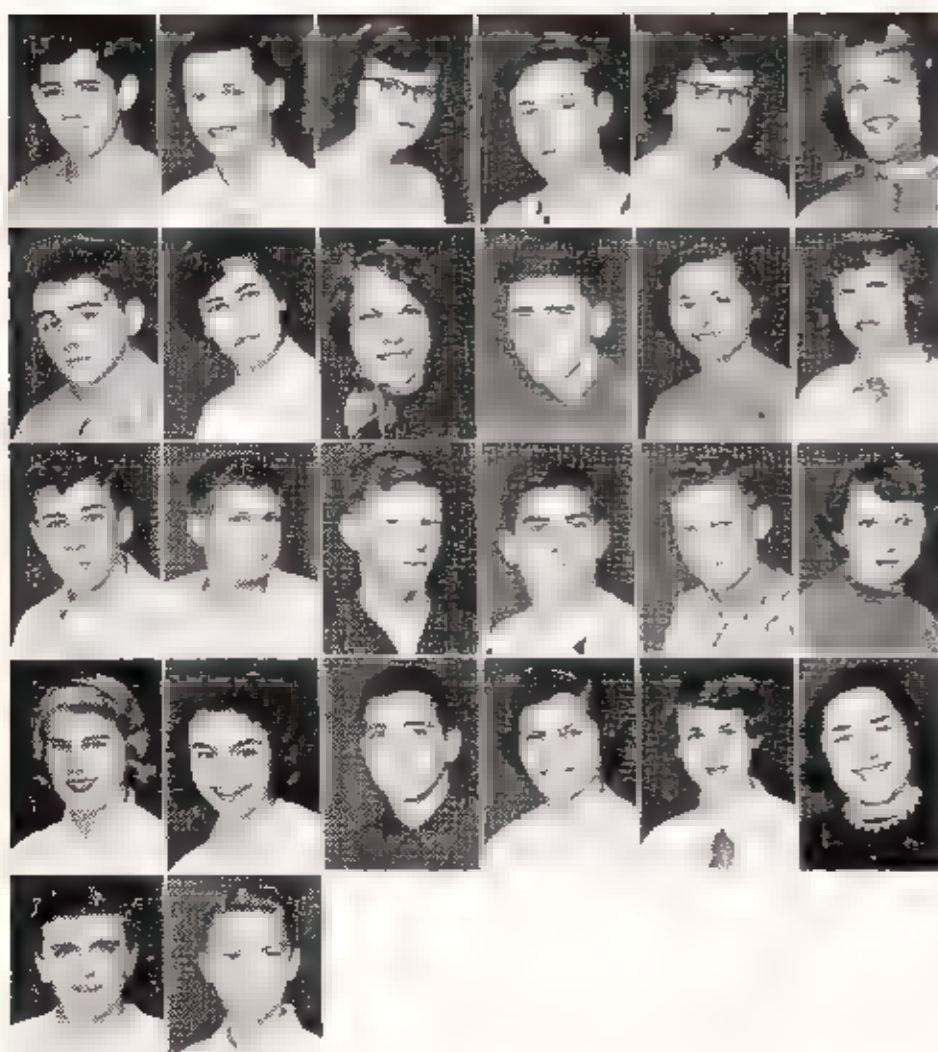

All Aboard! All Aboard! Let's Go! Yes, the Fifty-Treaters are on the train heading toward success and happiness—first here at DeVilbiss and later on in collegiate or business pursuits.

The Sophomores are on the right train, but they certainly didn't get there by chance. Before they made any decisions they consulted their advisers—Miss Ursula Schmit, Mrs. Raby and Mr. Watts. Midway in their journey the Sophomores switched engineers and voted as their new advisers, Miss Fern Dickey and Norman Pollman, who proved very helpful in mapping out their journey to completion.

Being careful planners the Fifty-Treaters didn't hop aboard the first train that came along, but instead they looked around at the many opportunities offered at DeVilbiss. Everyone saw where he wanted to go and then determined to reach his destination. The musically inclined joined the Orchestra or the A'Capella Choir, while the particularly talented starred in the DeVilbiss. For aspiring journalists there were the Pot O' Gold and the Prism staffs. For the others there were Clubs, Commissions, the Student Council and Student Court. In the field of sports for girls there was the G.A.S.; for the boys there were the athletic teams and the intra-mural's sports.

The Fifty-Treaters have not only planned for their own future, but they have joined their "little brothers and sisters," the Freshmen, in forming a very successful social club—The Froshmores. Through "The Froshmores," each member has enlarged his circle of acquaintances, made new friendships and enjoyed many good times.

On June 8, 1951, the class of '53 will have traveled half-way on its DeVilbiss trip. It will have covered half of its subjects, formed half of its friendships, enjoyed half of its high school fun. Significant facts, yes. But not half so significant as the fact that although these two years have been a good promising half, the better part is yet to come. For if the past is at all indicative of the future, the schedule of the Fifty-Treaters has been so well planned that their ride on the train of high school activities will be completed in a most gratifying manner.

Miss Fern Dickey and Mr. Norman Pollman Help Sophs Entrain

Under the able guidance of Miss Fern Dickey and Mr. Norman Pollman, the class of '53 is traveling on the road to success. Miss Dickey has proved a capable leader and one who is willing to lend a helping hand. She always has a friendly smile and a kind word for those of us who need her advice. Although Mr. Pollman must devote much of his time to the athletic department of DeVilbiss, nevertheless he has found the time to carry on his job as our adviser. Without a doubt, Mr. Pollman has helped solve many problems and has made each one of us aware of that fine personality of his. We of the class of '53 are certainly fortunate to have such friendly and enthusiastic advisers.

Juniors Enroute, Journey Well Begun

Standing—Bill Billeau, **President**, Earl Sigg, **Vice-President**. Seated—Brad Greenberg, **Treasurer**; Nancy Brown, **Secretary**.

The Junior Class bought one-way tickets in September for a first class trip to the end of their run in June. With four live-wire officers as engineers and brakemen and two splendid faculty advisers to conduct them, they were sure of an eventful ride. Stop-over privileges along the way insure them of exciting times ahead.

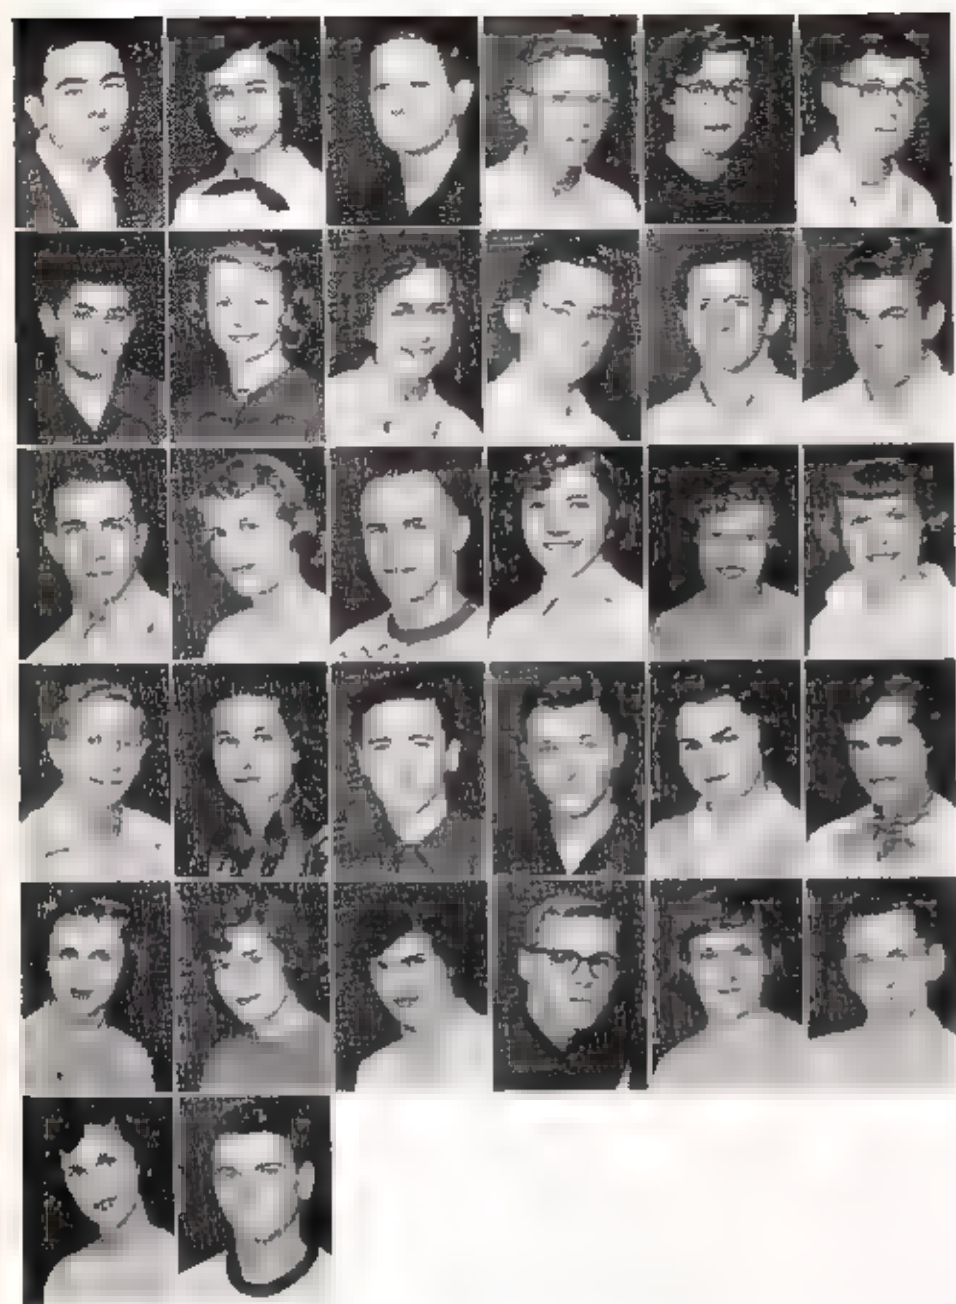

Eagerly scanning their schedule of events, the Juniors discovered that the first stop-over was to be the Junior Play, "Good Night Ladies", staged on December 14 by a competent group of fellow classmates and performed by able Junior Thespians. The light-hearted mood of the play captured the fancy of everyone and launched the Juniors, sending them rolling merrily on their way.

After traveling safely through the Christmas Holidays and the exams, the passengers on this train soon found themselves ready for another big class affair. February 24, found them all dressed up for a whirl at the J-Hop, "The Cherry-Tree Twirl". Gay decorations, smooth music and a lively crowd all made this dance one to be long remembered.

February passed; March arrived; still the Junior train kept its busy wheels turning right up to Easter vacation and that long awaited tour, the trip to Washington. With the train actually pulling into the station of our nation's capital, "history was made". Juniors invaded the city and at last began to understand something of what had been going on in history classes all year.

Checking on their timetable once again back at DeVilbiss, they found that they had time to catch their breath before the boys chose to board another train with their favorite date for the Boys' Mothers' Party. The Juniors decked the compartments in grand style for the Senior Banquet. Then the upperclassmen joined together for one last event, The Junior-Senior Farewell. All were present at the Farewell Dance to say good-bye and good luck.

Today as they look backward, they realize that all Juniors have contributed time and effort to make this year a tremendous success. And now in looking ahead, they are anticipating the fun and the responsibilities of being seniors.

Miss Ruth Lukens and Mr. Dave Hardy Assist Juniors Enroute

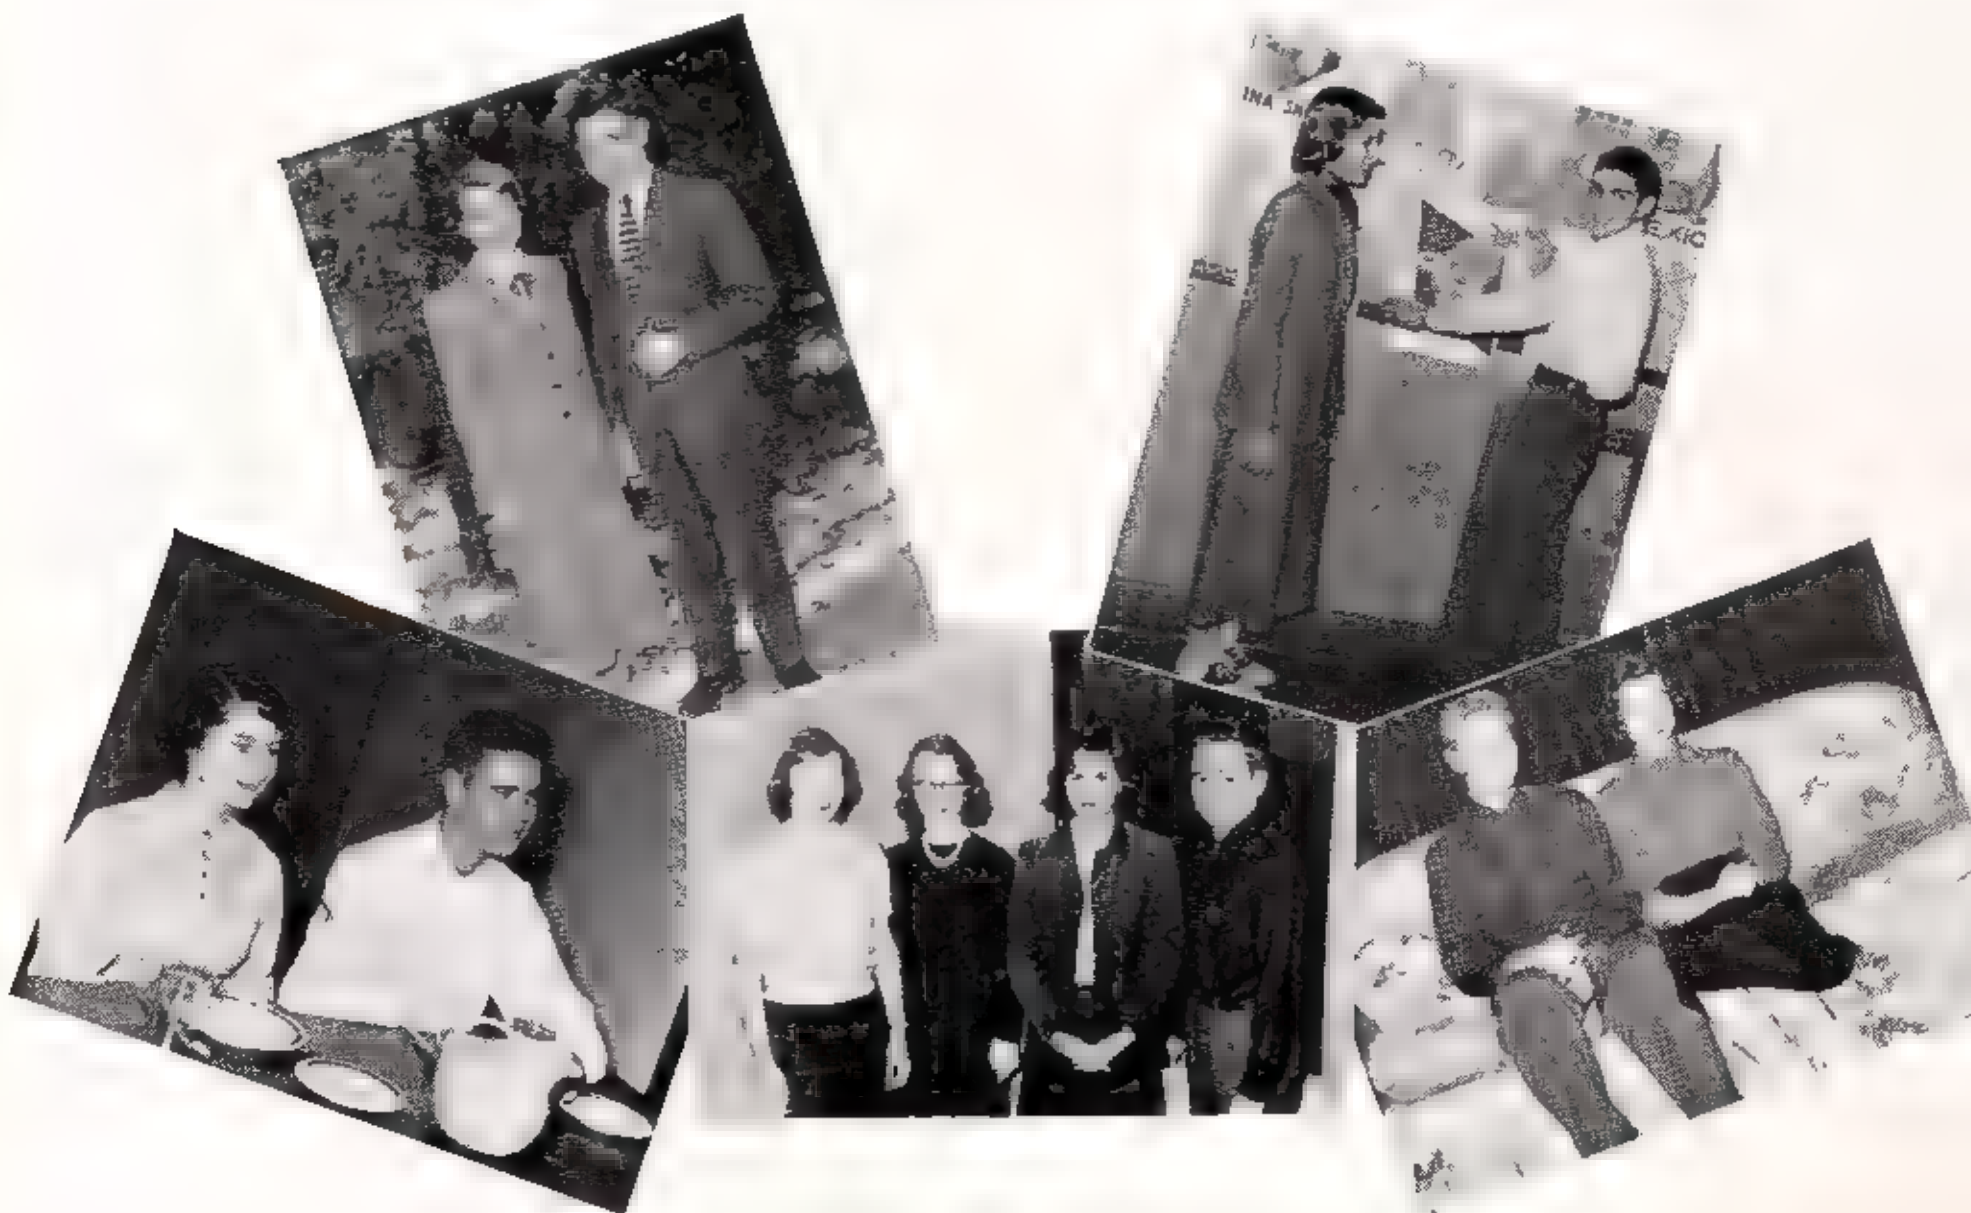

The Junior Class would not have been able to achieve the success that it did if it had not been for the leadership their two advisers offered them. Miss Lukens was always ready to lend a helping hand when it was needed. Without her cheerful cooperation, the Juniors might have failed to measure up to their own high expectations. In much the same way, Mr. Hardy stood by to lend us encouragement and to support us in our endeavors. Because of their tireless efforts and friendly interest in all of the undertakings of the Junior Class one successful activity followed another. With such able leadership during their first three years, the Juniors can look forward to entering their Senior year with confidence.

Seniors Terminate Four Year Trip

Upon entering the DeVilbiss Union Terminal in September, we received our schedule of classes and activities for our year-long trip. We boarded the train early with the excitement of elections still in the air. The wheels really began to turn when our officers, with the help of our interested advisers, chose the chairmen for the fifteen class committees.

In our eagerness to get going, life didn't move fast enough for us, until we began to pick up speed by honoring the football team with the "Varsity Drag", the Friday after the Thanksgiving-Day game. By the time of the "Blue Book Bounce," our Senior Mid-Semester dance, we were rolling along merrily. Our journey was well under way when we all met on the diner for the annual Fathers' and Sons' Banquet. Shortly after that affair we returned for a snack and some entertainment at "The Dads' and Daughters' Date."

While lounging in the club car we decided to write some letters. Our very first one we began with "Dear Ruth"—we must have been remembering that smash hit of ours! A cup of tea a bit later with the Mothers of the senior girls was a most refreshing pause.

As we walked through the cars on our way back to our seats, the rhythm of the wheels seemed to fade into the tilting strains of an orchestra—then came a flashback to the evening of our big formal dance, the Senior Prom.

Seated once more we were attracted by a beautiful church in the village we were passing through, and in our imaginations we once again were attending our Baccalaureate Service. The next time we became hungry we decided that it would be fun to be served in our seats. Soon a long line of stewards was serving us our Senior Banquet in a royal fashion. How much fun we had hearing the class will and reading our own personal prophecies. While lounging in the observation car we reminisced—the thrills, the wonderful times, the spirit of good fellowship and friendship of our Senior Land Cruise to Chicago, of the C.S.P.A. Convention in New York, and of the jaunt of the A'Capella Choir to New Orleans.

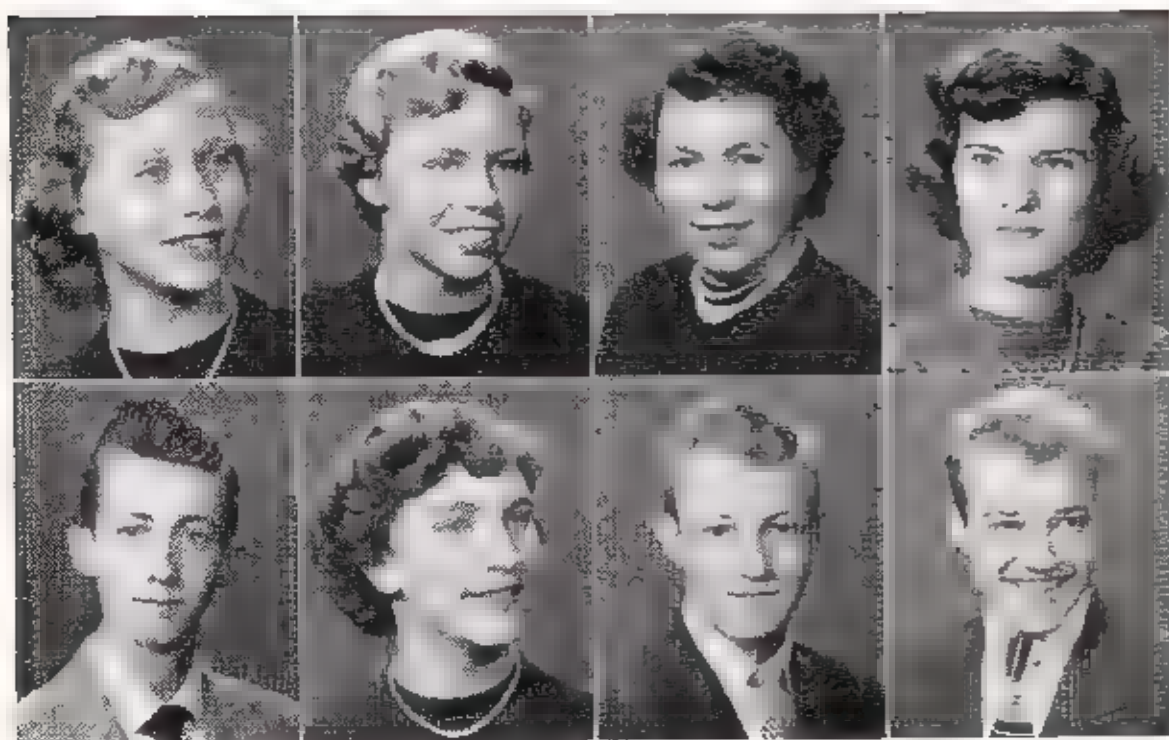

The year-long trip had passed all too quickly! In no time at all we were detraining with our luggage in one hand and in the other our ticket stubs tied with rainbow-colored ribbons.

Inside the station where we were saying our goodbyes, the confusion blended into the music of the Junior-Senior Farewell Dance. Soon, as everyone realized, the members of our class of '51 would

Ted Scharf, Vice-President; Dave Rubin, President; Letty Lauffer, Secretary; Ann Knudsen, Treasurer

be embarking on new ventures—some changing trains college-bound while others would be journeying toward jobs or new points of interest.

Seniors in DeVilbiss all know our two wonderful class advisers . . .

Energy seems to be their middle names as they help us plan our class functions . . .

Now, with the firm foundation which they helped lay last year, we have constructed a successful senior year . . .

In the thoughts of every senior are the plans which they helped us create and execute . . .

Only people with hearts of gold could be as understanding as they have been . . .

Really they are incomparable.

Advice from these competent two is always welcomed by committee co-chairmen . . .

Dependable, helpful, thoughtful, conscientious—they're all of these . . .

Vested in them is much class responsibility . . .

Indebted to them are all of the members in this year's graduating class . . .

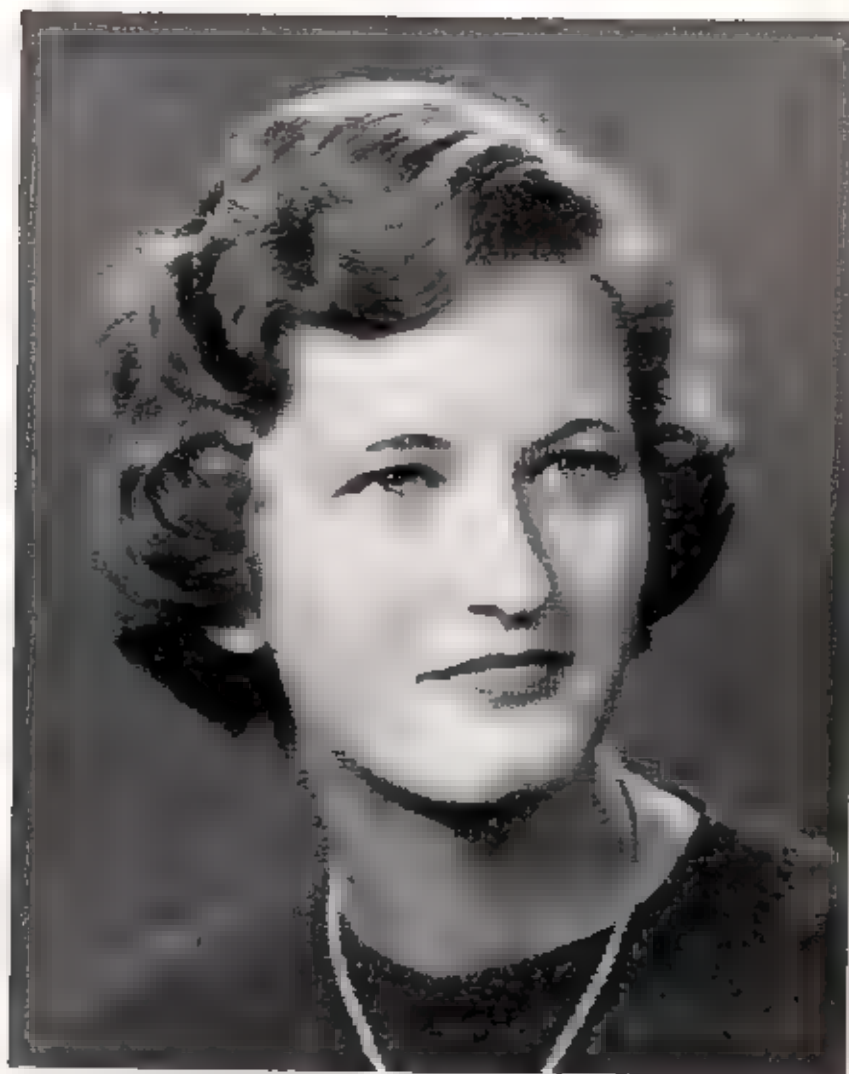

Successful senior activities show their untiring efforts . . .

Ever onward we have progressed under their guidance . . .

Remember them now?

Surely you do. They are our own Miss Ruth Smith and Mr. Hilton Murphy.

"She Walks in Beauty"

"She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes;
Thus mellowed to that tender light
Which heaven to gaudy day denies.
One shade the more, one ray the less,
Had half impaired the nameless grace,
Which waves in every raven tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet express
How pure, how dear their dwelling-place.
And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
The smiles that win, the tints that glow,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!"

Student Actors Win Applause and Praise for Senior Play, "Dear Ruth"

The house lights dimmed as the curtain went up on the first act of our senior play, "Dear Ruth." The play unfolded itself and the audience began to feel as involved as the well-cast characters. The weeks and weeks of preparation that had gone into this production were not in vain. The hearty applause of the audience proved the great success of the play to all those who had worked so hard. For the first time in "simply ages", the Co-chairmen, Nancy Gregg and Stan Leiken, could sit back and relax

Jane Davis in the role of Ruth and Ted Scharf as Lieutenant Bill Seawright provided the romantic interest of the play in a smooth manner while Christie Redrup as Ruth's prankish teen-age sister Miriam and Dave Rubin as the father carried the humor throughout the play. Bunny Ricard as the mother was the stabilizing influence in this topsy-turvy affair. Jim Smith, Ruth's fiance, provided many embarrassing and comical situations for Ruth. All these elements combined, gave us a very entertaining evening.

The success of the play was due to the outstanding direction of Mrs. Ortha Black. Her several years' experience in acting and directing at the Repertoire Theater gave a professional touch to our play.

Since the play was held on April 26 and 27, it helped bring our senior year to a successful and memorable ending.

Pot O' Gold and Prism Send Thirty-Three Delegates To C.S.P.A. Convention

From March 6 to 12, thirty-three staff members and four advisers from the Pot O' Gold and the Prism staffs sandwiched the meetings of the 27th Annual Columbia Scholastic Press Association between shows and sightseeing tours. The lucky delegates who spent five blissful days in "the big city" were Barbara Tussing, Jane Fenn, Angie Pazos, Carol Huffer, Pat Vietmeier, Ann Frybarger, Joan Bowman, Marlene Hazle, Mary Streib, Ann Cordill, Don Barnby, Ted Scharf and Larry Wright from the year book. Those representing the Prism were Nancy Gregg, Nancy Campbell, Delores Mechling, Dave Rubin, Don Gerlach, Larry Bershon, Huddy Thal, Jim Little, George Weingardt, Barbara Boerger, Joan Mercer, Janet Peterson, Ann Fowler, Joanne Hernstein, Mary Ella Holst and Joe Gillis. The group was chaperoned by Miss Ruth Smith, Mr. and Mrs. Stalker and Miss Rose Bloom.

At the opening assembly, Dr. Grayson Kirk, Vice-President and Provost of Columbia University, welcomed the delegates. The two days of sectional meetings and discussions were climaxed on Saturday by a luncheon in the Waldorf Astoria Grand Ballroom. Mr. Ernest Gross, U. S. Deputy Delegate to the U. N., was the principal speaker.

We came back with ideas gotten from papers and yearbooks sent in by schools from all over the country. With some of these new ideas incorporated into the '51 and '52 editions, the staffs hope to make the DeVilbiss publications again rate First-Class in the C.S.P.A. competition.

Yearbook Turned Out in Secrecy and Mysteriousness of 164

That there is method in our madness might well be said of the Pot O' Gold staff. Although the great hurrying and scurrying of harried staff members to meet a deadline on pictures or copy may have seemed madness to a casual visitor in room 164, there must have been method for deadlines were met and a book turned out on time.

Many members of the staff would have sworn that 164 was inhabited by a crew of gremlins who delighted in misplacing pictures and copy on the day of a deadline or in mixing up write-ups and placing two spellings of one name on a page.

Before our year began the '50 and '51 staffs had a picnic. The veterans of former battles of deadlines passed two things on to us—their sympathies and an oversized bottle of aspirin. Still we noticed that most of them wished they could remain for another year of fun.

The theme of the book was the first thing considered in the fall. The editor, literary editor, and advisors put their heads together to get a theme that was appropriate. After this matter was settled the staff began work.

Now, as the peculiar odor of the rubber cement used by the panel editors settled around our heads and as our hieroglyphics' experts deciphered the write-ups, real bedlam began. Slowly but surely the dummy took shape. Many people around school were startled as a Pot O' Gold photographer, getting the feature pictures, popped up out of nowhere and a flash bulb went off in their faces.

At last, having survived the winter on peanut butter cookies, the Pot O' Gold staff wearily emerged from solitary confinement into the late spring sunlight. The book was finished! And another CSP.A First-Class yearbook had been produced!

Dashing and Hurrying in 216 Result in Outstanding School Paper

'Tis the day that the Prism
Is due at the press.
The staff is all struggling,
Yea, sweating no less.

BERSHON pecks his way
On new typewriter keys,
While JO HERRNSTEIN struggles
For headlines that please.

GEORGE WEINGARDT reads columns
For errors that sizz in,
And STEINHAUER re-checks,
All the work on the Prism.

Then suddenly, GERLACH
And NANCY appear
"Love! sixty more inches of ads
We have here!"

"You can't cut my news."
MARY ELLA declares
"Mine either", BARBARA
Silently swears.

ANNE FOWLER dramatically
Asks, "What is money?"
That page of BRAD GREENBERG'S
Is really a honey."

Miss Hirth and Miss Bloom
Both strive to keep peace
"Come, just use your minds
And some more elbow grease "

So RUBIN and J. P.
Build up some more steam
The paper's all finished
It seems like a dream

And that's how we get all
These issues that whiz'em
We call it hard work, but you call
It the Prism.

DeVilbiss Enlightened On International Conditions and Customs

Here at DeVilbiss the international feeling has been stimulated by various speakers who have given us an insight on conditions in their countries.

Two outstanding foreign speakers were Mrs. Van Trapp of the Van Trapp singing group and Nilcanth Chavre from India. Mrs. Van Trapp captured the interest of her audience with her witty reminiscences of her former life in Austria, the coming of the Nazis and her flight to America. Mr. Chavre, the representative of students from India in the United States, spoke to us on the world situation as it concerned his country.

As one of the members of our faculty this year, we were fortunate in having an exchange teacher from England, Mr. Hector Watts. In his Physical Education classes he taught the boys to play the English game of soccer. Paul Otto from Munich, Germany, came to

DeVilbiss in December. He, like many of our other high school students, immediately became interested in the D.U.N.A.

Miss Julie Andre, who has gone off the beaten track to discover and bring to us indigenous and folk music of the Latin American countries and Spain, sang to her own accompaniment on the guitar for the Spanish Department songs in French, Spanish and Portuguese.

As a reward for a display of material on DeVilbiss school life and on Toledo, sent to an exhibition in France by the French students under the direction of Mr. Pasquier, DeVilbiss received a gold medal.

These programs and activities and contacts have all contributed to the educational experience and have been most interesting and worthwhile in enriching the curricular studies.

Mr. Robert E. Rettig

As the center of club activity and an important part of our school affairs the Inter-Club Council was a very busy organization. The Council was composed of a member from every chartered school club.

Nancy Campbell, as President, presided over the meetings and headed the various committees. Nancy Gregg was the Vice-President. The double duty of Secretary-Treasurer was ably handled by Nancy Keller. Larry Bershon as Organizations Commissioner was the Council's student adviser. Mr. Robert Rettig was our efficient and inspiring faculty adviser.

Meetings were held twice a month, or more often if necessary, to plan the activities and help the different clubs with any type of problems they might have had.

At one of our first meetings of the year mimeographed copies of the rules and procedure at the meetings were given to each club representative. Each club had to see that these rules were enforced in order to maintain its charter and to be represented on the Inter-Club Council.

The Council opened its activities this year with an assembly for the freshmen. This assembly acquainted the

new student with the different clubs, and the procedure for joining a club was explained to them. The presidents of the clubs which were open to freshmen spoke and told them about their respective club. The next and main duty of the I.C.C. was organizing new clubs, and getting the old ones under way in the new year.

All totaled, forty clubs were organized. They ranged in activity from the literary and social to those commercial and national in scope.

The main event of the year was the decorating of the school halls for Christmas by the various clubs. The "Little Brown Jug", the annual prize, was won by the combined efforts of the Senior and Junior Hi-Y's, headed by Bill Henzler and Bill Billeau. Our school was decorated very fittingly in original and new ways for the holiday season through the efforts of the clubs.

The annual banquet of the Inter-Club Council was held near the end of the year and honored the club presidents. We of the Inter-Club Council regretfully brought to a close a very successful year.

Freshman Hi-Y Pulls out of the Depot

The Hi-Y as an organization has a specific purpose toward which our members are striving. This purpose is "to create, maintain, and extend throughout the school and community a high standard of Christian character."

To start things in our newly organized club we held an initiation through which all of our new members had to pass in order to receive their membership card and Hi-Y pin. This pin is the official Hi Y pin, a triangle with a cross in the center, and is used by Hi-Y's all over the nation.

After our initiation, we held an election of officers and chose our leaders who were the following: Jerry Throne, President; Jim Herman, Vice-President; Bob Brigham, Treasurer; Jim Glanville, Secretary; Ron Vickrey, Chaplain and Tom Draheim, Inter-Club Council Representative. Our adviser, "Doc" Miller, sat in on most of our meetings and saw that the club had a good start.

We held our first social event in October, a city wide open house. We all had a lot of fun dancing, swimming, playing ping pong and using the other facilities of the Y.M.C.A.

During the year we made money by selling salt water taffy. This money helped send a representative to Camp

Nelson Dodd, the official Hi-Y summer camp in our district. There he learned leadership and how to conduct meetings in a more businesslike manner. This year, as our service project, we counted tax stamps. The money from these stamps went to needy Europeans.

Our club participated in a city-wide Hi-Y basketball tournament that took place during the Christmas vacation. Also on the sports agenda, we did some swimming after meetings and had a splash party.

In the spring many members of our club went on the weekend trip to Camp Storer. Everyone enjoyed meeting new friends and learning more about the Hi-Y.

To stimulate interest in our meetings we had several excellent speakers. Mr. Norman Polman, Athletic Director of DeVilbiss High School, talked to us about his athletic experiences; Mr. Hector Watts, who is an English exchange teacher instructing in our gym, told us about athletic conditions and sports in the British Isles. Rev. Lloyd H. Olson of Monroe St. Methodist Church showed us his slides on the International Church Convention held in Cleveland.

We are all looking ahead to three more years of activities, service projects, and seeing our many new friends in the Hi-Y.

Get up Steam With the Sophomore Hi-Y

Every Thursday at 7 30 P.M. the Sophomore Hi-Y held its meetings at the Central Y.M.C.A.

Our activities were under the leadership of our President, Roger Steinhauer; Tom Ehn as Vice-President arranged our programs. Minutes of the meetings were taken by Phil Schaefer. Bill Rees kept our finances straight and Sam Magee led us in devotions. Our advisers were "Doc" Miller from the Central Y and Mr. John Kudsen; to them we give our hearty thanks. We give the officers our vote of approval for their work during the year.

Last summer our president went to Camp Nelson Dodd to gain an increased knowledge of Hi-Y work. The camp strives to show the officers how to conduct their meetings and gives them suggestions for programs, service projects and money-making activities. A fall and a spring weekend at Camp Storer were enjoyed by those members who attended. We also sent a delegation to the area conference in Tiffin. The conference as a whole was very well planned.

Our program this year consisted of discussions, movies, and many excellent speakers, including several members of the faculty. The use of the services provided us by the Y helped everyone have a more enjoyable time.

In the course of the year we took in several new members whom we trusted to live up to our purpose. "To create, maintain and extend throughout the school and community the high standard of Christian character." Of course, we also try to promote friendliness and to learn to know the value of co-operation.

Our chief service project for the year was the distributing of Community Chest material to various business concerns throughout the city. We had a good time doing this, not only because it was fun, but because it gave us a chance to do our part for a worthy cause.

At the close of this year we look back on our two years of underclassmen and look forward to our coming years as upperclassmen, hoping to live up to the standards set by our predecessors.

Junior Hi-Y Gathers Speed

The boys in the Junior Hi-Y have certainly gathered speed for the coming senior year. The many projects, social events, which were educational as well as entertaining meetings, have helped to give the boys a better attitude toward Christian citizenship in the school, home and community.

The leaders of the organization this past year include Bill Billeau in his second term as President, Tom Benson acting as Vice-President, Hal Moore carrying out the responsibilities of the Secretary, and Mark Gallon, who kept track of the financial end of the club. Don "Squirt" Flamond and John Fackler also performed as Inter Club Council and Chaplain respectively.

The club is very proud of the gains and achievements which they made this year. To start things off with a bang, we had a very enjoyable hayride, with roast following at Side-cut Park. Everyone agreed that this event was the best activity our Hi-Y had ever had. In gathering more speed we, in cooperation with the Senior Hi-Y club, won the "Little Brown Jug", the prize given annually by DeVilbiss to the organization with the best Christmas decoration. Projects were created to help the community by doing such things as

having an ever present fund for helping the poor, the underprivileged, or some worthy organization

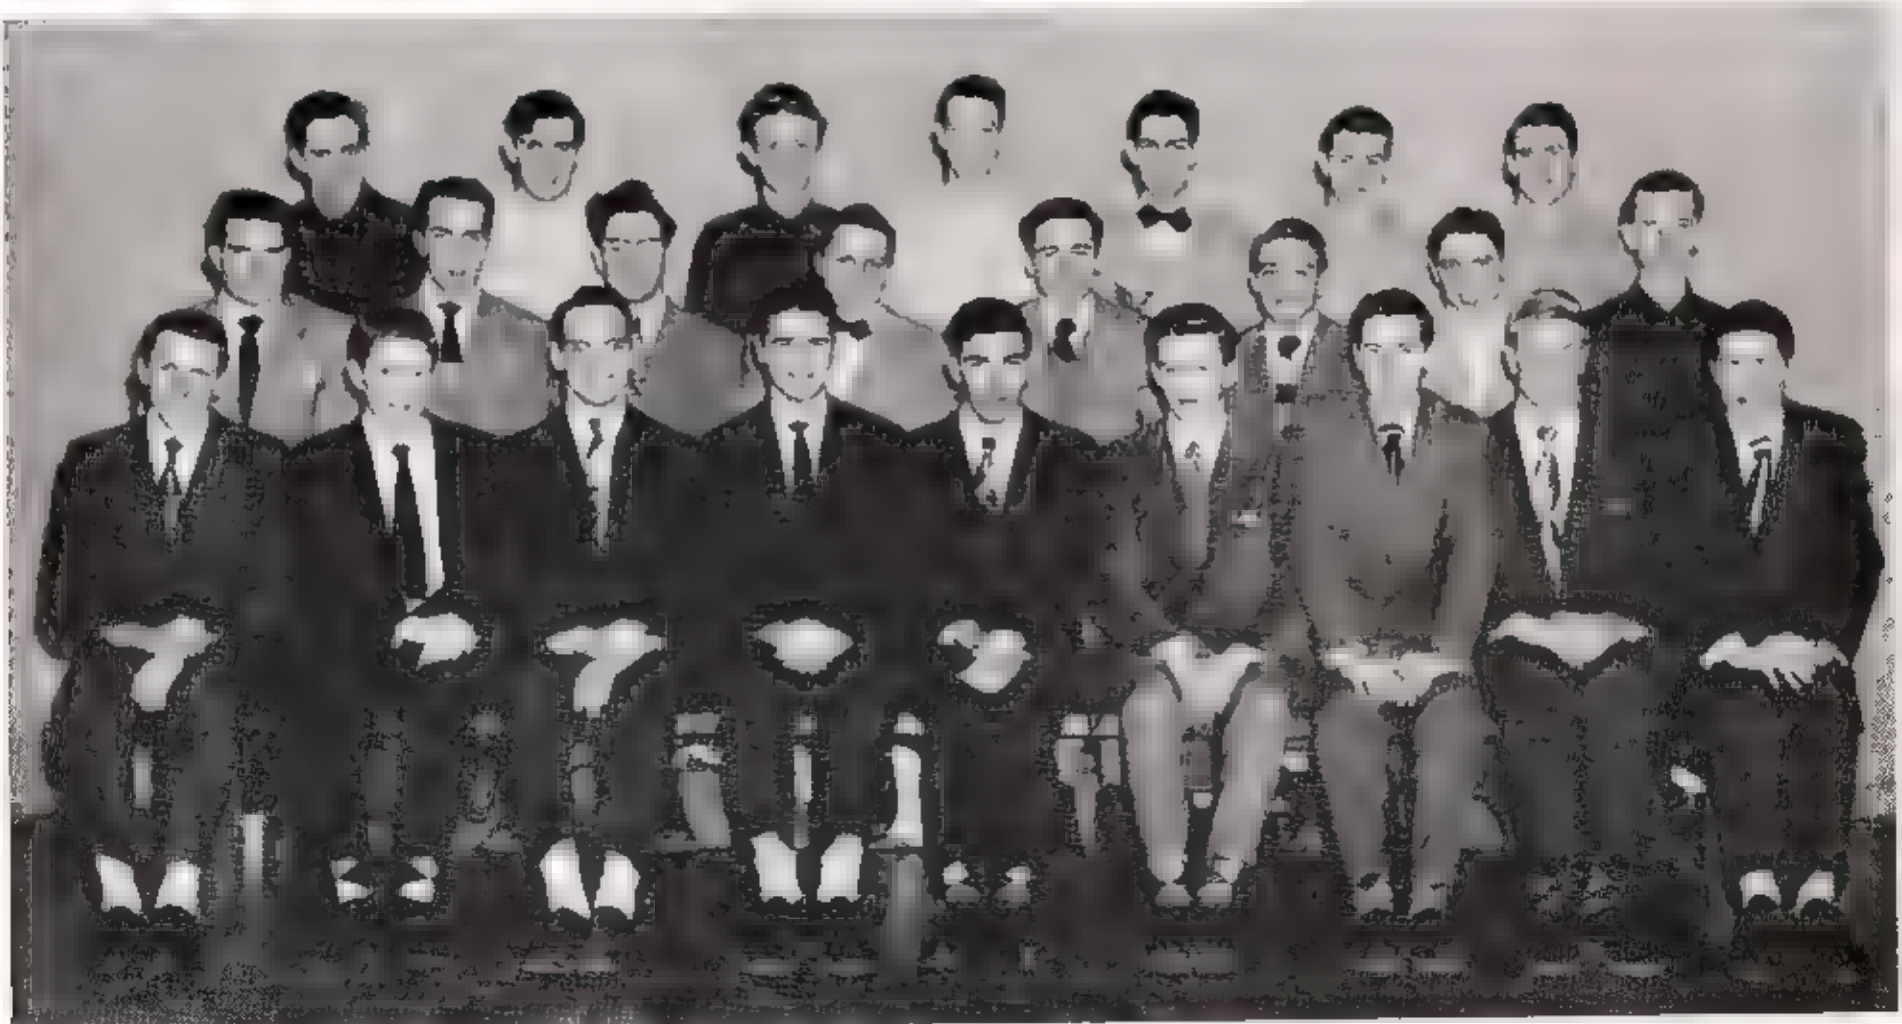

The meetings presented various types of amusements and education. Speakers gave us many opinions on present problems and difficulties of teenagers. Round table discussions in which members gave frank opinions of "What's wrong with Joe or Jack or Jim", helped us to grow in personality and morals. Movies helped us to learn about educational subjects and see the latest exciting sports. After many meetings, we all participated in battling the seniors in water polo.

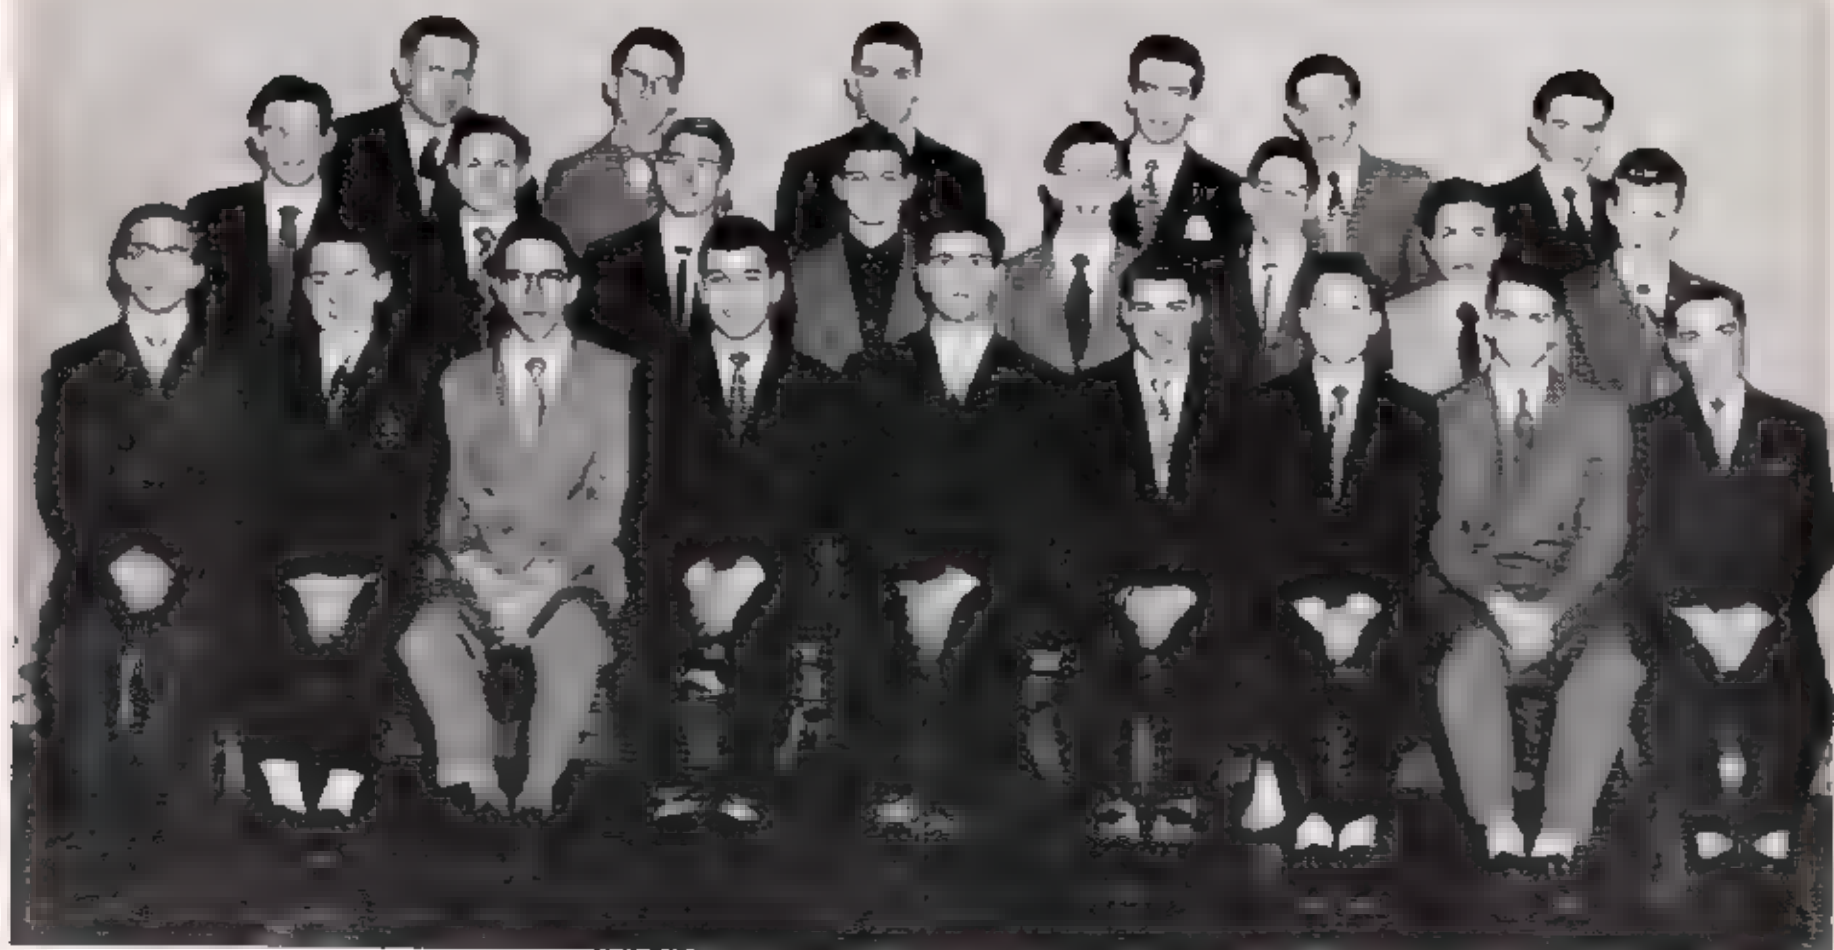

Many activities were shared by all the Hi-Y members this past year. The Hi-Y, Y-Teen weekend was a great success with many representatives of both clubs meeting at Camp Storer to help set up the reservation for the coming Y.M.C.A. camping season. Many boys went to Camp Nelson Dodd to learn how to run their clubs. Also our club was very active in the Hi-Y Council which runs all the city Hi-Y's.

So having achieved so great a success this year, we plan to have an even more eventful year next school year.

Whiz Down the Line With Senior Hi-Y

Treasurer	Roger Markus
Advisers	Mr. S. B. Emery, Mr. Sandler Crawford

The minutes of a typical Senior Hi-Y Meeting for the year 1950-1951 read something like this. Bill Henzler was the presiding officer and Dick Drews and Marvin Caris led devotions. The business meeting was opened with Roger Markus' Treasurer's report, followed by the reading of the minutes by Bill Miller, Secretary. Harold Fike then gave a short report on the Hi-Y-teen Council meeting. They were making plans to go to Camp Storer in the fall and for the Hi-Y-teen open house in the fall.

We then heard from Dick Skuce, our Inter-Club Council Representative. He told us of the Inter-Club Council project to buy benches to put in the courts. A motion was made, seconded and passed that the Hi-Y donate a bench to the school.

Among our projects for the year were sending Prisms to four servicemen who are graduates of DeVilbiss. We donated \$100.00 to the World Service Fund. To raise money for this, we sold mums at the Thanksgiving Day game. At Christmas we sent a basket of food to a needy family. Also at Christmas time the club won the Little

Brown Jug for having the best decoration in the school. Then we sponsored a dance after the DeVilbiss-Scott basketball game to raise money for a Fathers' and Sons' Banquet.

Louie Henkel, President of the city Hi-Y Council, represented our club and the other Toledo Hi-Y's at a state meeting held in Columbus. He did much to further Toledo's influence with the other clubs in the state.

One night, after an initiation service, we presented out past adviser, Mr. Warder, with a pearl studded Hi-Y pin to show our appreciation for his service to the club.

As the club looked back over the years and saw how much it had accomplished, it appreciated the fact that the officers had gone to Nelson Dodd in the summer. This is a training camp for Hi-Y officers and it helped our officers to carry on their work.

Jerry Bassett then made a motion that the meeting be adjourned. It was seconded by Ted Prueter.

Advisers	Miss Beatrice Louy, Mrs. Bick

Every other Tuesday afternoon the Freshman Y-Teens had its meetings in room 252 with Miss Louy and Mrs. Bick as our capable advisers. We want to express our appreciation for the valuable help they have given us. Also we want to thank the "Y" leaders who so graciously gave us their time and energy.

We elected four officers to lead us in our year's activities, Betty Pyle presided as President, Janet Woody fulfilled her responsibilities as Vice-President, Kathryn Knight as Treasurer kept our money in order, Sandra Eschedor, our Recording Secretary, took the minutes of our meetings. Assisting the officers in their work are the following committee chairmen: Donna Whitfield was Membership Chairman and kept the club's attendance record; Peggy Dehnhardt having taken over the duties of Chaplin, led us in our prayer; Ruth Hutchinson as our Inter-Club Council Representative faithfully attended all the meetings and reported the important business to the club.

We have had many varied programs this year. They ranged from educational ones to purely entertaining gatherings. One of the very important meetings was held on January 8. Miss Anchor, a guest speaker from the Y.W.C.A. gave a talk on getting the club off to a successful start. She discussed many things that we could do, such as having a swimming team, sending cards overseas, knitting for the people overseas, and joining a "Y" choir.

Although we were late in getting started, we have thoroughly enjoyed this year of Y-Teens. We are all looking forward to the social life that goes along with the service. Splash parties, meetings at homes of members and at the "Y", penny suppers, hayrides and guest speakers helped to make this year a success.

The purpose of Y-Teens is to promote friendship among all girls, to learn to work together, and to live up to the Christian way.

Treasurer	Jackie Penney
Advisers	Miss Elizabeth Johnson, Miss Fern Dickey

Under the capable leadership of Donna Taylor, President, the Sophomore Y-Teens have completed a very successful year filled with fun and numerous activities. We have tried to live up to the code of the Y.W.C.A. of growing as a person, growing in friendship with people of all races, religions and nationalities, and growing in the knowledge and the love of God.

The first event of our school year was well attended. It was a splash party and a penny supper afterward, both at the Y.W.C.A. In December the club enjoyed the informal initiation of several new members, and the formal candlelight service that followed. The canasta party which was held in February was lots of fun.

The service project was the suggestion of Doris Shull, the Service Chairman, with the help of Miss Fern Dickey and Miss Elizabeth Johnson, our advisers, who have helped us very much in activities and projects. We owe thanks to them. This project involved gathering up old Christmas cards to send to the crippled childrens' homes to keep the children's hands and minds occupied. We

enjoyed this project which helped us to live up to the purpose of the National organization.

Of course any club is lost without leaders and our group elected competent officers to carry through the year successfully. As Vice-President we chose Shirley Clark to take the President's place if she were absent. Shirley also served as Inter-Club Council Representative. Jackie Penney, Treasurer, kept every penny in its place, which was quite a job since the initiation dues had been paid in pennies. Doris Shull, our Chaplain, opened each meeting with a prayer. Pat Downer is the Hi-Y-Teen Council Representative and faithfully attended all the meetings at the "Y". Chairmen of other committees were Sharon Harmon, Telephone; Mary Lou Schlieve, Social, and Pat Downer, Ways and Means.

The club met twice a month on Tuesday, one meeting at school and the next meeting at the Y.W.C.A. Though our club has been organized only two years, we have gained in membership and in spirit. We feel that this year has been packed full of enjoyment and we are looking forward to next year and an active future at DeVilbiss.

Junior Y-Teens Start

Well folks, here we are, back again, for another session on records from radio station Y.W.C.A. Yours truly Charlotte Slevin, will play the hits of 1950-1951, with Marilyn Hahn assisting while Nancy Brown and Marilyn Collins strive to keep the records straight.

Our first tune for tonight is "Down by the Station" for those who helped dedicate Toledo's new Union Terminal.

Don't go away, friends. This is only the beginning. We next take you to the Lucas County Old Ladies Home with "Let a Smile Be Your Umbrella". It seems that they recently have been entertained and presented with hankie umbrellas made by the Junior Y-Teens. I might add that this is quite an active group. Among other things, they have checked coats at the P.T.A. card party, sold a variety of tasty baked goods at the Y.M.C.A. The first semester of the school year was begun with a pot luck accompanied by an induction of the new members. Following this, we had an explanation of football by Coach Hanshue and concluded the semester by a joint Christmas party with the Macomber Hi-Y.

Getting back to our songs, let's dedicate "By the Sea, By the Beautiful Sea" to a very successful splash party—another event this Y-Teen group sponsored. Oh, before I forget it, they knitted some very "nifty" socks and mittens for the poor overseas, after one of their speakers, a woman from Europe, stressed the need for them.

One of their services to the school was the presentation of what is hoped will be an annual Lenten Service.

Two of their last and best remembered occasions were the lovely installation of their recently elected officers for next year and the annual honoring of the mothers.

The girls worked successfully together to make the Christmas season of the people of Japan happier; Christmas cards were collected and sent to the occupied country.

Much has been accomplished this year under the stewardship of Miss Eva Samsen, their adviser. Much enjoyment and satisfaction of accomplishment has blended to make a successful year. We hope their Senior year will be just as fruitful.

Full Speed Ahead With Senior Y-Teens

This year, we, the Senior Y Teens look back upon the three previous years, realizing that we now have a more complete understanding and tolerance of all peoples and are now better citizens for having belonged to this group. We have been ably led by our officers: President, Beverly Bendlin (first semester) and Judy Stead (second semester); Vice President, Joan LeSueur; Recording and Corresponding Secretary, Marty Cuthbert; Membership Secretary, Jackie Smith; Treasurer, Marilyn Myers; Chaplain, Barbara Slater; Assistant Chaplain, Jane McClure and Inter-Club Council Representative, Ronnie Engelke. Our meetings were held every other Wednesday in the members homes or in the school library immediately after school.

With the help of Miss Schueren and Mrs. Slater our faculty and home advisers, and Miss Acker, our "Y" adviser, we have planned well balanced activities which have included many educational, service and social functions.

We were privileged to have Mrs. Luther speak to us concerning her work at the Florence Crittenden Home. The club also heard an interesting talk, given by Mrs. Gorlick, on the poise and charm of the high school girl.

The service committee, headed by Barbara Slater, was instrumental in the organization of the Y-Teens of '54. One of our biggest service projects was sending boxes of clothing to Japan.

During the Christmas Holidays a Canasta party, planned by Joan LeSueur and Ronnie Engelke, was held at the Y.W.C.A. We were invited to attend the annual Hi-Y-Teen Council Open House at the Y.M.C.A. Florence Herman was our social chairman and Hi-Y-Teen Council Representative.

Of course, we took part in the school activities. The most important of these was decorating the school at Christmas. Our committee, under the leadership of Vera Whipple, did a fine piece of work.

We also had a meeting with the Senior Hi-Y at the Y.M.C.A. Dr. and Mrs. Mayer spoke on Boy-Girl Relationships.

With the close of this year we come to the end of our four years at DeVilbiss. Many of us have been members of the Y-Teens since our freshman year. We are certain this experience has helped us in many ways and we are grateful that we had the opportunity to be members of such a fine organization.

Zets Get All Aboard For Bookland

President	Jackie Smith

Advisers	Miss Leah Schueren, Miss Marjorie Warner

"Come on girls, hurry or you'll be late to the meeting. You won't want to miss Harriet's program. She's presenting 'Red Shoes' tonight." This was what you could hear our President, Jackie Smith say one Thursday afternoon just before a "Zet" meeting. She was referring to Harriet Rohlfing, our able Vice-President and program chairman.

But let's listen. The meeting has started. Nancy Landin, our Recording Secretary, was reading the minutes while Barbara Slater, the Treasurer was struggling to count each roll of 100 pennies turned in by our members. Fourteen girls were installed this year at a service held at Nancy Landin's house.

"Let's have a penny supper", someone suggested, and all the girls seconded it. This was one of the favorite ways of making money and we have a good time too. So November 30 was set as the date for the event. Ann Frybarger generously offered to have it at her home.

In December, we decided to go Christmas caroling at Toledo Hospital. Afterwards we trudged through the snow to our president's house for refreshments. We studied the history of carols that month too.

Over there in the corner, working so hard, was Jane Malohn, our Corresponding Secretary, writing the invitations to our Mothers' Tea. This tea is an annual event held in the spring. Sitting beside Jane was Carol Robbins preparing her Inter-Club Council Report.

Some of our programs this year have been based on the study of Shakespeare, poetry of various writers, Bible stories, ballads and current fiction. Attending a dress rehearsal of one of the plays presented by the "Repertoire Theatre" was considered one of our best programs. In June we honored our graduating seniors at a banquet.

The purpose of "Zets" is to promote the literary interests of the members. We also strive to teach good fellowship, the value of co-operation, consideration of others, and commendable school spirit. Our motto is "Nihil sine labore" meaning "Nothing without work". Green and white are the colors you will see used at our affairs.

Of course we musn't forget the help we received from our patient and willing advisers Miss Marjorie Warner and Miss Leah Schueren. Many thanks to you both.

Thalians and Peries Find

The Thalian Literary Society was founded on the principle of acquiring sound and beneficial knowledge concerning literature, drama in all forms, and poetry.

We have studied various operas either through actual attendance or by hearing reviews given by members. There were "La Traviata", "Rigoletto", and "Carmen", to mention several. We enjoyed the Repertoire theater's presentations very much, also.

Theater parties were given before the operas by Miss Mildred Johnston, our adviser who has given us unlimited help and advice along with being "one of us" in her friendliness to aid in everything we have undertaken.

Our Mother Adviser, Mrs. Robert Garbe, was always ready and willing to hand down sound advice every time it was needed.

At Christmas time the members tied up colorful bunches of mistletoe which they sold for a large profit. It was a very successful venture received with great enthusiasm by DeVloiss students! Our annual Christmas party will be well-remembered for even Santa came to help pass out gifts. Although the Christmas decorations may not have won the little brown jug, the committee, headed by

Sally Zeller, deserves much credit for hard work spent in producing a lovely window.

Our meetings were held on the second Thursday of each month in the afternoon at school purely for business and the fourth Thursday in the evening at home for literature study and refreshments.

Each meeting was opened by our President, Nancy Garbe, with the Lord's prayer in the absence of our Chaplain, Kay Johnson, whom we miss very much. Nancy Keller was always ready to fill her Vice-President's post if needed. Dolores Mechling, our Secretary, did quite a bit of typing for us as well as to take minutes of each meeting. Sue Sommerfield gave accurate reports on the treasury's standing. Nancy Cox always had complete notes on every Inter-Club Council meeting. Calling members about this and that was handled by Nancy Brown "Sr." with great patience.

Our meetings and discussions of literary work has furthered our literary knowledge with appreciation of books and plays, helped widen our horizons, and prepared us for future endeavors.

Thanks so much to everyone, for without co-operation, we, as a club, could not have made a success of our 1950-1951 year.

Their Station in Literature

This year the Periclean Literary Society has studied drama for our literary work. At our meetings we read plays and discussed new projects. We saw a performance of "The Silver Whistle" at the Repertoire theater. One of our most interesting activities of the year was a trip to Detroit to see Alfred Lunt and Lynn Fontanne in "I Know My Love."

While our main purpose was literary work we also devoted part of our time for school service. This was partly done by supporting and promoting school plays. To get our school in a Christmas spirit, we, under the direction of Marilyn Britton, helped decorate the halls. We sponsored a Peri Day to promote better understanding between our group and the Peries of other schools. We invited the Peries from Waite, Libbey and Woodward to a tea in our library. For our program all the presidents told what their group did. This kind of program gave the other schools an idea of new things that they could do. We also had Miss Griffin's radio class give some scenes from "A Tale of Two Cities." Everyone enjoyed the entire afternoon so much that we hope to make it an annual affair.

Some of our other activities included an Alumni Tea at Christmas time, a tea for our Mothers and the annual Senior Banquet. In order to have enough money for all these activities, we gave bake sales and had a rummage sale.

Our year was a success because of our capable and loyal officers: Nancy Gregg, President; Phyllis Haller, Vice-President; Ann Knudsen, Secretary; Letty Lauffer, Treasurer; Carol Tanner, Chaplain and Lou Elyn Alexander, Inter-Club Council Representative. We also wish to express our sincere appreciation for the help and interest of our faculty adviser, Miss Ruth Smith and our parent adviser, Mrs. Gregg.

We have had fun throughout all our activities, but we have had more than that. Our knowledge of drama has greatly increased by discussion and seeing productions and we have had the opportunity to make many lasting friendships. To the Pericleans we attribute many fond memories of a pleasant and successful year.

U.N. Journeys Toward World Peace

New this year, The D.U.N.A. has already made quite a record of activities and accomplishments. Of course, these never could have developed without the assistance of our advisers, Miss Olive McHugh and Miss Rose Bloom. Miss Aurelia Quinn helped us a great deal, too.

Early in the year, our officers Larry Bershon, President; Tom Benson, Vice-President; Barbara Tussing, Secretary; Sherry Pinkerton, Treasurer; Barbara McLain, Historian and Shirley Black, Inter-Club Council Representative, plus an appointed board, outlined the club's activities. These were divided four ways: home meetings (every other Monday), school business meetings, projects and parties.

Parties? Oh, yes, even the serious U.N. Club can have fun—and did. For instance, who didn't enjoy himself at Jim Falvey's Christmas pot-luck where we caroled the evening away. And there was the Ottawa Park tobogganing party where we ended not sober-faced but snow faced.

However, we had our serious moments, too. Miss McHugh couldn't have found a more attentive audience

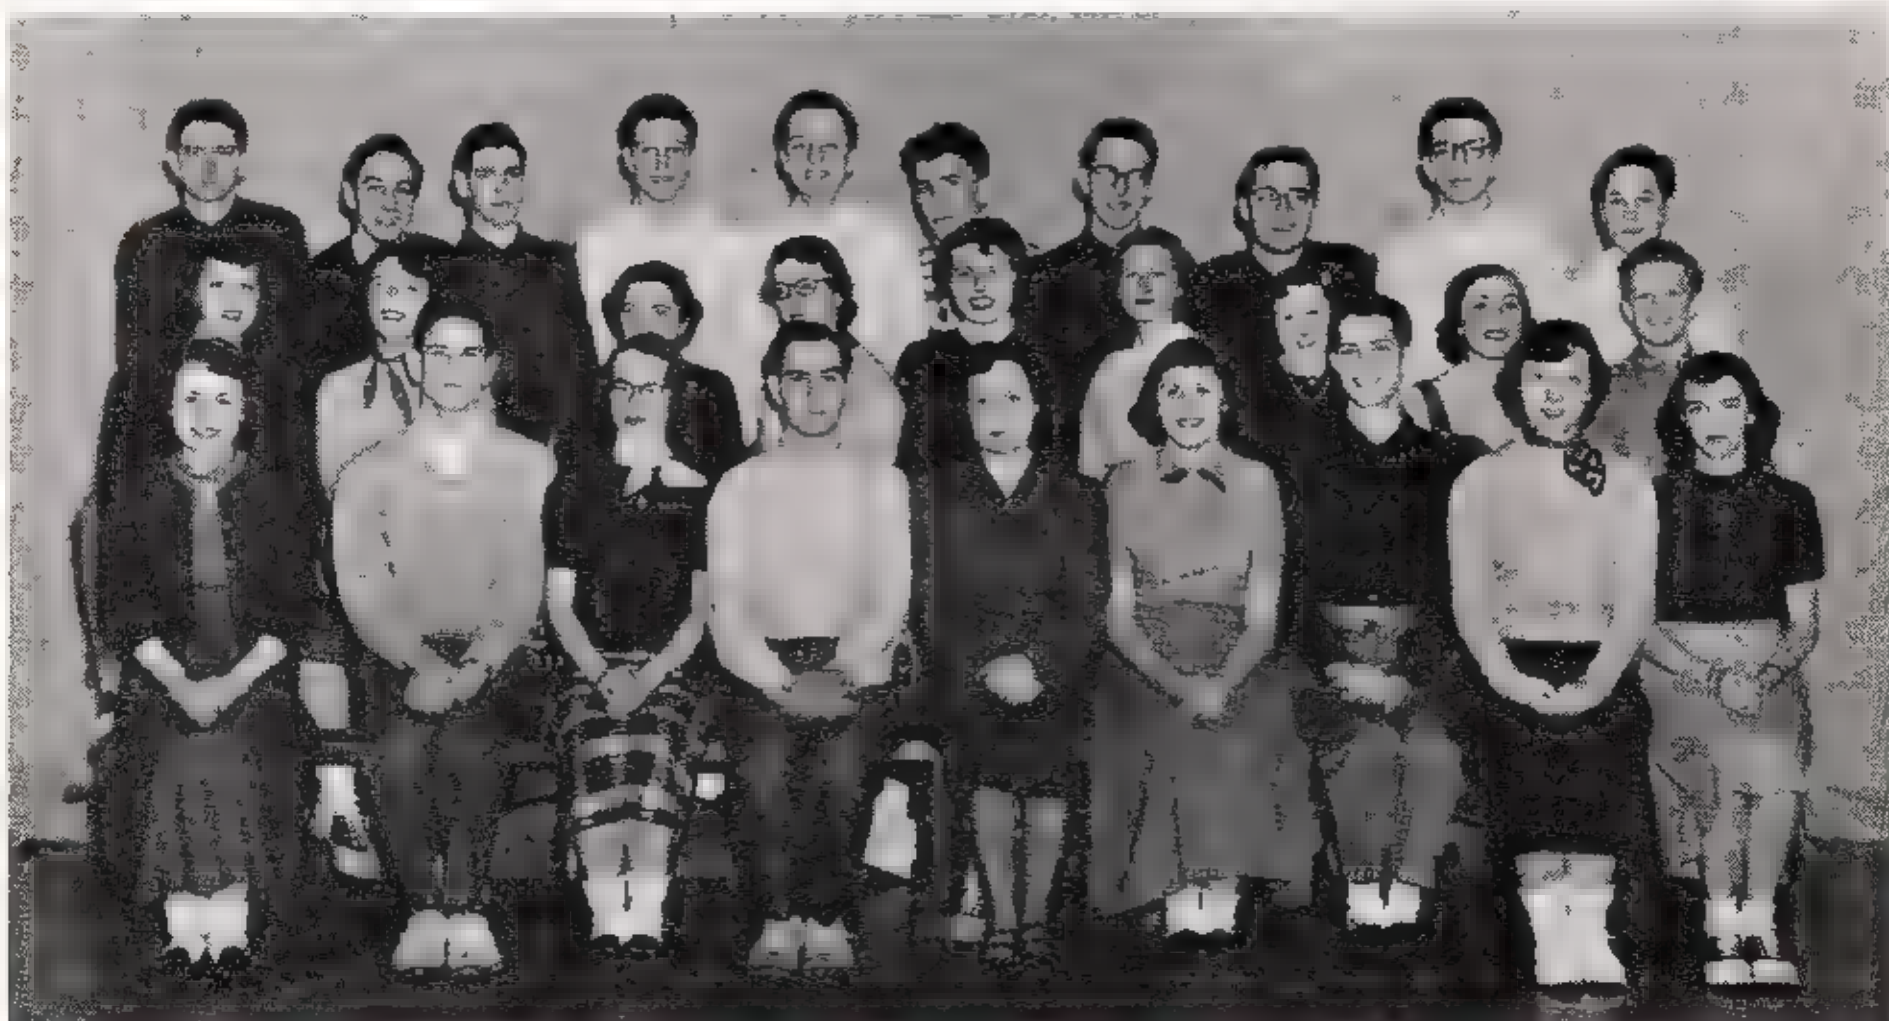

when she told us of her experiences with the U.N. at Lake Success. Then, when we had a student discussion on the U.N. Charter, and had as guests, Mr. Hector Watts from England and Paul Otto from Germany, you couldn't have found a more interested group or more lively discussion than the one that followed.

Among other things, D.U.N.A. participated in a nation-wide competition testing the student's knowledge of the United Nations organization and its different divisions. The lucky student who won was to be given a fully financed trip to the U.N.'s new billion dollar headquarters in New York with a chance to visit each division and see the U.N. in action.

Yet, we must not forget the club's projects. We all participated in the T.U.N.A. Youth Day play, and though we would never make Broadway, we learned about other peoples by portraying them. We also heard Paul Henri Spaak lecture on Europe, and afterwards felt a little bit more optimistic about the future. And last, but not least, we participated in the Youth Forums, which gave us a chance to fulfill our purpose—"To stimulate an interest in international affairs."

Swing your partner! Dosey doe! Round the corner! Here we go! Everyone had a wonderful time at the Scout square dance, "The Hickville Prom." It was held in December at Close Park Shelter House, with lots of food and lots of music.

But how did we start the year out? We will have to go way back to the summer, when we held a combination splash party and slumber party. We went swimming at East Harbor, Ohio. In the evening all the girls went to the home of our leader, Mrs. Hedden, to spend the night.

Early in the fall we had a picnic at Sidecut Park. We took the bus to the park and had a very enjoyable day. In the late afternoon we wended our weary way home with our sunburns and scratches.

The social event which we enjoyed most was the weekend at Camp Libbey. Arriving on Friday evening, we occupied the cabin, Linden House, until Sunday afternoon. Time sped by with hikes, cookouts and just plain loafing. Miss Ruth Smith, our faculty adviser, came for Sunday dinner and seemed to feel our culinary efforts were excellent.

We, the Scouts, made nearly 100 bean bag clown dolls

to be distributed to children in the Toledo hospitals. These dolls were made at the meetings. We pricked our fingers and cut our hands; we made many a mistake, but the smiles on the faces of the children were worth it, as any of the girls who went to distribute the dolls can tell you.

In the summer several girls were called by the Volunteer Service Bureau to go over to the South Side Y.M.C.A. to point maps. It was quite a job, but just ask any of the girls who worked on the project where certain south side streets are and she can really rattle them off. This was just one of several opportunities we have had to help the Bureau this year.

The 23rd Kenowva District Girl Scout Convention was held in Toledo this year. The name Kenowva is derived from the states included: Kentucky, Ohio and West Virginia. Our President, Marilyn Lankenau, represented our troop. During the convention, as many of you know Marilyn appeared on television.

Our other officers were Barbara Lutz, Vice President and Inter-Club Council Representative; Wanda McGary, Secretary; Edith Ward, Treasurer and Nancy Bolton and Clara Sneed, Senior Planning Board Representatives.

Charlemos and Alianza: Destination

President.....	Lorna Romanoff
Vice-President ...	Sally Esgain
Secretary	Nancy Garbe
Treasurer.....	Lois Okun
Advisers	Miss Ursula Schmit, Mrs. S. Berman

The Charlemos Spanish Club consists of twenty-nine sophomore, junior and senior girls of DeVilbiss High School, who are interested in knowing and understanding the Spanish language, the Spanish people and their many fascinating customs. This small Spanish club is headed by Lorna Romanoff as President, Sally Esgain as Vice-President, Nancy Garbe as Secretary, Lois Okun as Treasurer, Joan LeSueur as the Inner-Club Council Representative, Elaine Entner as Sergeant-at-Arms, Lois Eppstein as Chaplain and Georgene Ricard as the club's Program Chairman. The club's advisers are Miss Ursula Schmit, a Spanish teacher here at DeVilbiss and Mrs. Sam Berman, a Spanish student studying at Toledo University who is also practicing teaching at Libbey High School. The meetings are held in the homes of the members the first Wednesday of every month. When additional business meetings are needed, they are held on Wednesdays after school in Miss Schmit's room.

The Charlemos program for the year has been carried out in an efficient manner, beginning with the induction of new members, which was held at the first formal meeting of the year. The first feature of the program was a

bake sale, December the ninth at Cady's Fine Foods. The party for the children at Saint Anthony's Orphanage was next on the agenda, and it was a very big success. Other things, such as speakers, plays, Spanish dances, songfests, parties and a Spanish pot-luck were thoroughly enjoyed by all.

To broaden the knowledge of the Spanish people, a short program is put on every meeting by a group of willing members. This program is produced in either Spanish or English, whichever they may choose. The purpose of this little skit is to familiarize the members with Spanish customs.

It is the purpose of Charlemos to keep all of its members, who have had at least one year of Spanish, interested in our Latin American neighbors. Throughout the year we have tried to create a greater knowledge and understanding of our neighbors to the south. We have had fun with our Spanish this year and we sincerely hope that we will renew our Latin American connections in the years to come.

Latin-America and Spain

Vice-President	Jane Fenn
Corresponding Secretary	Angie Pazos
Recording Secretary	Sherry Pinkerton
Treasurer	Jim Caldwell
Advisers	Miss Marian Smith, Miss Ursula Schmit

La Alianza Latino-Americana Spanish Club has come again to the end of a year's journey which recorded many admirable events. Under the leadership of the advisers, Miss Marian Smith and Miss Ursula Schmit, and the officers, La Alianza has taken on several projects which have helped to bring a greater knowledge and understanding of Spanish and Latin American countries to its members.

Our cast of student leaders for the past school year includes Tom Benson occupying the President's chair, Jane Fenn heading the Vice-President's tasks, Sherry Pinkerton, keeping the minutes and carrying out the other responsibilities of the Recording Secretary, Angie Pazos sending messages and doing the other jobs of the Corresponding Secretary, and James Caldwell keeping the club's financial affairs in line. Tom Mills represented us at the Inter-Club Council meetings.

A formal induction of the new members of Alianza was held in the school library. A program followed consisting of Spanish music and a talk in Spanish by Mr Russell Brown, our Dean of Boys.

A scrap book showing many phases of American life was finished and sent to a Spanish-speaking town in

hopes that we might receive one from them demonstrating their way of life. We included in our book a Prism, a summary of school affairs and other things to give an idea of life at DeVilbiss.

The members also worked hard to display their learnings from our meetings on Spanish music, dancing and heroes by presenting a show for the Spanish department in recognition of Pan American Day.

Enjoyment was shared by all club members at the Spanish dancing sessions in the Ottawa Park shelter house and at the Christmas party, an annual affair including the celebration of "La Navidad" in Spanish manner.

Movies and talks brought to the members a greater realization of Spanish and South American customs. We learned of the economic importance of the Spanish speaking countries as well as the lives of the people.

To conclude our busy year we held a picnic which was packed with merry-making and enjoyment.

The members of "La Alianza" have worked hard this year. Our relationships have been educational, helpful and social, and we become proud, while looking back on "Neustro Ano Inolvidable".

Romans Ride the Rails of Success

This year was a busy one for the Latin Club. In addition to holding its annual gala event, the Roman Banquet, the Club carried out a number of new projects. Under the guidance of our advisers, Mr. Sam Emery and Mr. David Voss, all of our undertakings were a big success. Our officers, the originators of our new schemes, were Walter Milbourne, President; Brad Greenberg, Vice-President; Ann Cordill, Secretary; Neil Kaufman, Treasurer; Marlene Hazle, Inter-Club Council Representative and Joan Mercer, Historian.

The first event of the year was a roast held in Ottawa Park early in November. More than anything else, Hal Moore's car made the roast a success. It not only took most of the members to the roast and later to Neil Kaufman's house for a party, but it also donated its headlights to the task of lighting the scene so a fire could be built, and further allowed frozen members to recuperate in its warmer interior from the frigid temperature outside.

During the Christmas season the club undertook the new enterprise of decorating the staircase adjacent to room 122. The services of Barbara Rittenhouse and Gwen Hutchins were a keynote in this successful

venture. Using the theme of Adeste Fidelis, the club had carolers on the landing, singing its theme song (the music came from a record player, concealed below), and a golden crepe paper harp which vibrated as though it were actually playing, a phenomenon probably caused by the air currents in the halls. These decorations were awarded the runner-up spot in the contest for the Little Brown Jug.

In celebrating the Christmas season and in endeavoring to bring Christmas cheer to others less fortunate than ourselves, a small group of members went caroling through the halls of Toledo Hospital. Afterwards everyone went to a movie at the Colony theater.

In one of our most enjoyable meetings, Mr. Voss's slides on his trip through the Mediterranean area last summer gave us a better knowledge of Roman and Greek culture.

The last and biggest event of the year was the Roman Banquet. This successfully brought to a close one of the Latin Club's busiest years.

Christian Youth Makes Friends With Passengers

"Hi there Taddie, have you heard the latest?"

"Why no, I don't believe that I have. What's up?"

"It's Monday night and the C.Y.C. is holding its regular meeting."

"Just what does C.Y.C. stand for, friend?"

"Why, the Christian Youth Club, of course. You know, Taddie, that club really has a definite purpose."

"I'm all ears. Tell me more."

The purpose of the club is to learn more about Christ and the teachings of the Bible. The members studied the Gospel of John this year to help them to achieve the purpose of the club.

"What activities did the club carry on this year?"

"Well, at the beginning of the school year the members carried on a survey among DeVilbiss students. Puzzling questions were asked in the survey, and the student tried to answer them to the best of his ability. After the results of the survey were reported, Miss Hirth, our adviser, explained and answered the questions for the members. The club also took an active part

in the city-wide Youth Rallies on Saturday nights. They acted as host to two guest speakers during the year. One of them was Mrs. Tamar Sterling, a former missionary from India, who showed the club some slides about life as she found it in India. The other was Mrs. Bob Wilson.

At Christmas, the DeVilbiss Christian Youth Club met with other C.Y.C. clubs of the city and sang Christmas carols while riding in a large open wagon. Mr. Carl Biehl, better known as "Uncle Bill" to the young people, attended some of the club's meetings. He was the organizer of the Youth for Christ movement in Toledo.

"The club sounds 'super' to me so far, but what about the officers and the advisers?"

"You couldn't wish for any better ones. Ruth Ziemer is their President and Sara McDevitt is the Vice-President. Ann Fish is the Corresponding Secretary, Martha Rosenbrook is the Recording Secretary, and Walter Myles is the Treasurer. Last, but certainly not least, is Miss Hirth, the adviser."

"You've convinced me that this club is tops, and you shall see me at its meetings next year."

Aeolian Club Broadcasts Arrivals and Departures

To develop an interest in radio, dramatics and various fields similar to radio and dramatics: this is the purpose of the Aeolian Radio Club. Every third Thursday of the month, the members of the club meet in room 261 to continue working on their purpose.

Fun was combined with work every time we had a meeting while our Vice-President, Lorna Romanoff watched intently. The day might sometime come when Sharon was sick so Lorna paid good attention to her parliamentary procedure. Over in the corner Joanne Wernert, our Secretary, with a pencil and notebook in hand, scribbled furiously. Bob Rappaport, our Treasurer, counted his hoards of money into piles of ten pennies each. Jim Falvey shouted, "Quiet" but nobody was talking so he sat down.

Our two social chairmen did a fine job of setting up our meetings this year. Before Christmas we entertained

the crippled children in a couple of Saturday programs. During the Christmas season we had a party in room 261 after school. This was enjoyed by all. In March we had a man from WTOD talk to us about the different fields in radio. After this interesting talk, we visited the station to get a bird's eye view of how things actually work. Then, to the top the year off, we had a closing party in May.

Of course, the club could not be a success without our advisers, Miss Frances Griffin and Mrs. Max Romanoff. The club was started last year by some students interested in radio. For a young organization, it has done well. It is hoped that it will be a chartered club at DeVilbiss for many years to come.

As we look back over the year, we shall never forget the good times we had together.

Bells ringing! Lights flashing! Buzzers sounding!

Not pandemonium, but the General Science Honor Club preparing exhibits for the spring meeting of the Junior Academy of Science at Bowling Green State University. There were election games and charts, magnetic toys and post card projectors, each made by a student in his or her spare time.

Our officers this year were Kent Folgate, President and Linda Mayo, Secretary-Treasurer.

Membership in our club was limited to those General Science students who had an ability in science and whose interest and daily class contributions showed a measure of promise in this field. Those qualifying for membership were notified after the midterm grades were given for the first semester.

We usually held our meetings after school in Room 208. The refreshments served by Lenora Auble and Barbara Weick after the business meetings were heartily enjoyed by everyone.

One of our most enjoyable meetings this year was when Lenora Auble invited the club over to her home for the business meeting and refreshments. Afterwards,

we went to the observatory at Toledo University for a look at the stars.

Many of our members had interesting science hobbies or projects. Probably the most amusing was Dave Studer's hobby, raising an alligator. Some of the projects of the other members caused less trouble but were equally as educational. These included Rex Shuler's, Dennis Laycock's and Bob Crawford's project of building gasoline-powered model airplanes; Jack Peter's and Sallise Beck's collection of post cards sent from places of scientific interest; Ruth Lincke's collection of leaves; Jacqueline Gokey's and Judith Siegfried's study of miniature horses; Dick Smith's photography; Richard Reder's scientific training of his big German Shepherd; Beverly Powlesland's and Barbara Shallenberger's study of the fabrics that make the best skirt and blouses; Joe Kuehne's research on the parts of a gasoline motor and Philip Witte's project on habits of fish.

All this could not have been done without the council and aid of our adviser, Miss Mary Fischer. With her backing, this year has been made enjoyable and the bi-weekly meetings have been very interesting.

Dramatics and Sharps and Flats

Fate struck some mighty heavy blows to the Dramatics Club this year. It's a long story so we might as well start at the beginning. Last year the club put on a very fine play and because of it, we decided to make it an annual affair. This year when we wanted to put on a play, our troubles began.

In the first place, we wanted to put on a three-act play but were unable to do so because of a conflict in dates. Everyone tried to get this play into production before the Junior Play but we ran into difficulties and had to cancel our plans. We finally had to settle for a one-act play at the end of the year. Under the able leadership of our adviser, Mr. S. B. Emery, we were able to present a one-act play entitled, "Mama's Getting Married." It concerns a widow with three attractive young daughters. The mother marries the father of a television singing star but the boy friends of the three girls think that he is the singing star himself. The boys are afraid the girls will cast them out for him. The boys decide to dress them-

selves as the wife and two daughters of the star, who had been abandoned in Topeka, Kansas. From here on in the plot thickens into a hilarious climax.

Another blow was struck when our President, Barbara Tussing, finding that her Pot O' Gold editorship made heavy demands on her time, resigned. Vice-President Chase Clements then took over and with the assistance of Treasurer Tom Treon, Secretary Lorna Romanoff and Inter-Club Council Representative Joe Gillis, we finished up the year.

Every second and fourth Tuesday of the month, we were to be found in room 119. Most of the time we spent going over our biggest problem, what to do about the play.

In spite of all the trouble we had this year, we somehow managed to get through. Even though we didn't get much else done, we had a lot of fun producing that one play.

As another year of music and merriment in Sharps and Flats comes to a close, it appears certain that it will be looked back on as a good year. We will all remember the numerous trips to the Art Museum, the caroling at Christmas time and the Parents' Tea in the Spring where the seniors performed so well.

The purpose of the Sharps and Flats is to promote musical interest and ability among its members and to help support local musical organizations. The meetings are on Sunday afternoon at least once a month.

Besides the more obvious cultural advantages of being in the club, the members meet other DeVilbiss students with similar interests and talents. Among our members are the conductor of the Toledo Young People's Symphony, many members of the A'Capella Choir and instrumentalists ranging from pianists to string bass players. To become a member, a boy or girl must show some form of musical ability (ukelele playing not considered musical ability), or an appreciation of good music.

The officers of the club this year are Roger Markus, President; Arthur Kunst, Vice-President; Marcia Kipperman, Secretary; Marilyn Britton, Treasurer; Beverly Bendlin, Historian and George Weingardt, Inter-Club Council Representative. It is the job of the officers to keep interest high and to try to maintain some sort of equilibrium in the financial status of the club. Miss Elaine Hirth and Mr. Russell Brown are our helpful and infinitely patient advisers.

We attempt to balance our social and educational programs. The educational programs consist mainly of going to the Art Museum to hear various choral and instrumental groups present programs. Our social meetings feature club talent. For instance, at one meeting Larry Bershon gave a talk about "Kiss Me Kate," a current musical play. At Christmas time the members of the club worked to help brighten the halls of DeVilbiss.

Yes, the members this year acquired a finer appreciation of music and a more profound desire to participate in various types of musical activities.

Family Living Runs a Home for Weary Travelers

The Family Living Club is in its second year of existence. It was organized in 1949 by Mrs. Blanche Luther and her Family Living Classes.

The purpose of organizing this club was to give the students the basic ideas of "family living" and to broaden their knowledge with respect to handling and adjusting everyday problems.

Mrs. Blanche Luther, our helpful and conscientious adviser, has been assisted by Mr. Harold Grubs.

The officers were elected in the spring of the previous year. Barbara Toth was elected President; Pat Beltz, Vice-President; Donna Nichols was elected Secretary; Art Welsh was chosen to keep the money straight as Treasurer and Jim Daso was elected to represent us at Inter-Club Council Meetings.

On the first Monday of every month we met at the United Brethren Church. We held business meetings once a month in school. Our monthly meetings at the church proved very successful. At these meetings we had a speaker from some organization speak to us. At the

end of the meetings members felt free to ask questions or comment on the talk. At our first meeting we heard Mr. Wendell Johnson, Director of the Child and Family Agency. Mr. Keveney, from the "Alcoholics Anonymous" spoke at one of our meetings. Miss Isabelle Walters, Director of the Florence Crittenden Home, visited us in January. We have had several other speakers throughout the year.

As our projects for the year we sent a basket of food to a poor family during Christmas vacation; at Easter we had a party for an orphanage. One of our most interesting trips was the visit to the Florence Crittenden Home. Several other field trips were carried out. We also worked to decorate the school at Christmas time.

On our social calendar we enjoyed a roast at Ottawa Park in the fall and had a party in the spring.

This club, although it is still very young, is one of the most educational and helpful clubs of the school. We have learned how to live with each other and how to take steps when we are on our own. We hope the future members will receive as much enjoyment and education from the club as we have this year.

It's Monday again and time for another meeting of Future Nurses. Come on, the meeting will be in the nurses office. Miss Miller, the school nurse, is our adviser, you know. She has helped us broaden our understanding of nursing. I'm sure we'll all agree she's been of great assistance to us.

Edith Ward acts as our head nurse. Assisting her is Vice-President Harriet Rohlfing who provides our entertainment. Then there is Shirley Alldredge who keeps all our records and Charlene Smith who as our Treasurer tries to balance our books. Orchids to them all for making this year such an enjoyable one.

Our club consists of girls who want to make nursing their career or who are interested in the field of nursing. We try to have programs which will give the girls a better knowledge of the profession. We have visiting speakers who represent various phases of nursing. One of our guests was Miss Schinkel, a physical therapist. She told us about her work, some of the requirements needed, and the training needed to become a physical therapist. We have also had speak to us a student nurse,

an industrial nurse, and one of the workers from the State Hospital. These meetings are usually held in the evening at the homes of some of our members. Sometimes after our business meetings were over, we would gather around the piano and sing.

Throughout the year we have been honored by being invited to several teas and suppers. Our hostesses were the nurses of many of the hospitals in the city. Some of these gatherings we attended were at Flower, Toledo, Mercy, Riverside and St. Vincent's Hospitals. We were informed about the work and nurses' life in each of the particular hospitals. We were also taken on a tour of the hospital and shown its various departments. Some of our other programs were trips to the State Hospital and the Opportunity Home.

This was our third year of organization. We were installed by the girls who belong to the Woodward Chapter of Future Nurses. We believe we have been quite successful so far and we are looking forward to many more years together as a club.

The Thomas A. DeVilbiss Chapter of the Future Teachers of America was very small in size but mighty in its ideals. Our group consisted of twelve girls all sincerely interested in teaching as a profession.

The club met on alternate Thursdays, one meeting at school and one at the home of one of the members. At each home meeting we tried to have a different activity.

At the October meeting, Miss Marian Smith, of the DeVilbiss faculty, talked about her visit through the Toledo Blade on B. I. E. Day.

In November, we initiated our new members in addition to having a question box where the members each submitted a question to be discussed by the group. Miss Pasch, our adviser, was very helpful in our discussions concerning colleges.

The F. T. A. members from last year's group who are now attending the University were our guests in January. Graduate Beverly Sandusky showed us her movies from her summer's trip in Europe.

During the second semester we centered most of our time on a new project of aiding other girls of DeVilbiss in

selecting their life work. We worked out a questionnaire to be sent to the homerooms. When we got these back we found where the interest was and from there we set up a program of interviews for the girls with qualified persons of the various professions. We feel that this vocational guidance program is valuable since the girls are concerned with choosing their future careers by their junior and senior year.

The symbol of the Future Teachers is a flaming torch portraying the light of Knowledge. This is particularly suitable because the hope for a better future lies in the hands of teachers who through their day-to-day contacts with the students help to mold youth's characters and personalities.

Our officers for this year were Meredyth Manns, President; Nancy Garbe, Vice President; Shirley Hart, Treasurer; Judy Stead, Secretary and Marilyn Olsen, Inter-Club Council Representative. In addition to Miss Pasch, our faculty adviser, Mrs. W. G. Manns was our parent adviser.

The DeVilbiss Chapter worked in co-operation with the state and national organizations of F. T. A. We thank their aid has helped make this year a success.

Future Business Leaders Manage Union Terminal

The school year of 1950-1951 brought a new organization to DeVilbiss—a local chapter of the National Future Business Leaders of America. Membership in the club was limited to students who were majoring in a business course.

The responsibility of our club went to Sara Jane Boos, President; Shirley Lehr held the office of Vice-President; Alice Lee, Secretary, recorded the minutes; Sally Blaine who acted as Treasurer, kept track of our finances; Carol Henkel was the Inter-Club Council Representative and Jane Vanden Eynden was our Reporter.

One of the many projects for the year was the sale of Gregg Shorthand pens. An analysis of the Magazine Drive put many girls to work under a very capable chairman, Alice Lee. The members were rewarded for their willingness to work by receiving points for service on committees. Points were also given for regular attendance. The committee which developed this point system was headed by Betty Jane Buckenmeyer. The girls cooperated wonderfully and we're sure they enjoyed this system and benefited by it.

Aside from the work, our organization had a good time planning the social events for the first year. Phyllis Konst and her social committee did a splendid job bringing about a successful Senior Farewell Party. We had many other social events of various kinds which were enjoyed by all.

The biggest event of the year was our installation into the national organization of F.B.L.A. by Libbey High School. Everything ran very smoothly because of the time and effort spent in preparation for this event by both Libbey and DeVilbiss F.B.L.A. club members. We were thrilled and honored to be a part of this national organization. We want to express our thanks to the Libbey club members for helping us attain this honor.

Under the helpful guidance of our advisers, Mrs. Gertrude LeGron and Mrs. Elizabeth Stoepler, our club feels that it has brought about its purpose—to promote better business leaders and workers through cooperation. Our club members and advisers hope that this club will grow to be recognized as one of the outstanding service clubs of DeVilbiss.

 Advisers Miss Eva Samsen, Miss Mildred Schmidt

"To Trump or Not to Trump": this is a question that often confronts members of the Bridge Club. Thoroughly stumped over the question, a future Goren calls in our advisers, Miss Samsen, Miss Schmidt, and Mrs. Roberts and asks their advice. Our advisers never do things half-way, so after taking a full view of every hand, they get together, reach a decision and tell the bewildered little beginner that her hand is a hopeless case.

Barbara Roberts, our President, is always asking for ideas for projects or parties, but no one seems to pay any attention to her, for they would rather play bridge. Judy Kitchen, our Secretary, is continually taking the attendance and promptly losing the list along with the last week's minutes. Marilyn Van Dyne, who is our Treasurer, is always begging the members for dues to pay for our Red Cross box, the Christmas decorations, or the Pot O' Gold picture. Tom Mills, our only male officer, is kept busy keeping us posted on the latest Inter-Club

Council doings, and telling us what and what not to do, so that we will keep within the rules and regulations. Marianna Hill, our Red Cross representative, is working on our second project of the year—filling a Red Cross box. Decorating the stairway by room 107 during the pre-Christmas holidays was our first project. Although we didn't win any prizes, we liked it and had a lot of fun.

Of course all our meetings aren't as "daffy" as all this. We have a lot of fun talking and playing bridge for, as you can see, we are strictly a social club. We meet every second and fourth Wednesday of the month. The first meeting is held in room 109 and the other is held in some member's home. We have been a chartered club at DeVilbiss for five years. After this year is out, we hope that our members have learned something that will enlighten them about the game so they will be better players.

 Advisers..... Miss Mildred Schmidt, Miss Frederica Hanson

Observing its second year of existence as a chartered club of DeVilbiss, the Canasta Club has again had an eventful year.

An interesting meeting every second and fourth Tuesday of the month was held in Room 109. It included a short business meeting, followed by an enjoyable hour of the game of Canasta.

Our first big event of the club was its election of officers. We chose as President, Carolyn Vick. She did an excellent job of carrying out the many responsibilities which were placed upon her. Assisting her as Vice-President was Mary Lou Bloom. The other officers were Shirley Hughes, Treasurer; Sharon Ryberg, Secretary; Mary Lou Schliewe, Publicity Chairman, and Donna Mull, Inter-Club Council Representative.

Our two very capable advisers were Miss Mildred Schmidt and Miss Frederica Hanson who encouraged our girls to their constant activity. They saw to it that cards and all other materials were provided, so that we could start the meetings on schedule. We owe our sincere thanks to them.

The fifty active members, who were all girls, participated in a tournament during the second semester which lasted about eight weeks. Each member received a chart of games, and at the end of each week, we filled in our game score. The winner received a prize after all the scores were totaled.

For Christmas our club did an excellent job of work on decorating one of the stairways in DeVilbiss. The Decorating Committee consisted of Sharon Ryberg, Mary Lou Schliewe, Carolyn Vick, Pat Downer, Shirley Clark, Donna Mull, Shirley Hughes, Donna Taylor and Bea Mock. Although we didn't receive the famous "Brown Jug", we had a marvelous time working together.

As a main project for the year, we gave a party for the crippled children at the Crippled Children's Home. This was held at Eastertime. A slumber party was also a high light of the year.

The purpose of our club was the sheer enjoyment we received from playing the game of Canasta. As a group, we made our club successful, and as the years go on we hope the club will prosper as it has this year.

Chess Club Takes Over the Club Car

The year 1951 was an excellent one for the DeVilbiss Chess Club.

The club met every Friday afternoon in Room 118, the room of our adviser, Mr. Voss. The officers this year were Richard Rofkar, President; Walter Milbourne, Vice-President and Inter-Club Council Representative; Dick Zimmerman, Secretary-Treasurer.

The first activity of the club was an open house meeting for all students who wished to join the club. The officers of the club explained the tournament and chess ladder to all the new members. After refreshments were served, the old members taught the students attending the meeting how to play chess.

The next activity of the club was a tournament in which all the old members took part. This was to determine the ranking of each member. The final standings of the tournament were transferred to the chess ladder, a board which lists the individual rating of each member. The top five members on this ladder make up the chess team. However, these ratings are only temporary since a

member may move up on the ladder by challenging the player above him and then beating him in two consecutive games.

For the last two years the chess team has been very successful in its matches with other schools in the Toledo area. Playing teams from Sylvania Burnham, Whitmer and Scott, the team has been victorious in seventy-five percent of its matches.

The club decided to try something new and different this year. We subscribed to Chess, an English publication that contains problems, recorded games and chess news from all parts of the world. To work these problems, the club divided into two teams based on the tournament standings. Each team tried to work the problem correctly before the other team had solved it. In this way the members learned to think out situations in games clearly and so find the correct move.

Besides increasing our knowledge and enjoyment of chess, we have learned to know our fellow members better and have made many enjoyable friendships.

Keep on the Track With Sub-Debs

All aboard!

Yes, all aboard for the Sub-Deb Special. Looks like we're all here. But wait! Here comes Barbara McLain, our Vice-President, running and shouting for the train to slow down. After she climbs into the cab of the engine to help guide us down the track, she sighs with relief. The railroad officials, Miss Lerche and Mrs. Hedden, our advisers, gave us the go-ahead signal. And we're off!

Our President, Pat Vietmeier, as engineer, steers us down the track to our destination. Carol Huffer, our Secretary, acts as conductor and collects the tickets purchased from Janice Hedden, our Treasurer. Elaine Haney, Sergeant-at-Arms, and Sue Pirner, Chaplain, maintain peace and quiet throughout our trip.

At the first station we have the initiation of our new junior members. This part of the journey they will never forget! At the next station we stop for our hayride. Then comes our Christmas decorating and party. Before the party the group sings carols at Toledo Hospital.

When the conductor comes around to collect the

fares, we find that some of the girls have forgotten to buy tickets. Because of the oversight, we plan a bake sale to replenish our treasury.

As we continue our journey, we find that the juniors planned a slumber party for the seniors. Marilyn Collins and Anne Lindsay are in charge. Isn't that nice of them?

During spring vacation we welcome the graduate members aboard. We are happy to see them again and the good times they have when they ride our train are told over and over again. "Remember the initiation and those sleepless slumber parties!" After this light conversation they give us some advice as what trains we might take when we leave the Sub-Deb Special. We also honor our members at a tea planned by Judy Stead and Marilyn Hahn.

Approaching our last stop, we find the Senior Banquet, planned by Billie Spurgeon and Phyllis Smith, waiting for us. At this rather sad affair the seniors suddenly realize that they have arrived at their destination. While they are disembarking they bid the juniors "Farewell" and "Good Luck!" as they continue their trip into a new adventure.

The members of the Junior Sorelles have worked with a fine spirit of cooperation this year. At our first meeting we were initiated by our sisters, the Senior Sorelles. The next move was to elect our officers.

Each meeting was started with the Lord's Prayer, led by our Chaplain, Dody Schroder. While Sally Esgain, Sergeant-at-Arms, kept us in order, Pat McGuire, President, conducted the meeting. Secretary Nancy Siegel jotted down the minutes and Treasurer Leita Klein managed our finances. Phyllis Jacks, our Inter-Club Council Representative, kept us informed as to school happenings in the way of clubs. Judy Schraishuhn, Vice-President, tracked down a place to hold the meetings, for all our meetings were held in the homes of the members. We were very fortunate to have Miss Ursula Schmit as our faculty adviser and Mrs. Vincent Rogers as mother adviser.

One of the first needs we felt was that of money. Judy Schraishuhn acted as chairman to plan a project for raising money. The committee decided a bake sale would be best. This was very successful and helped to pay for our page in the Pot O' Gold.

Our members then decided that this money raising project was so much fun that they would have another one. This project was selling programs at the Thanksgiving football game. Janet McWilliams, Nancy Siegel, Leita Klein, Judy Schraishuhn and Pat McGuire acted as the committee for this. We all felt that this had been more play than work.

Since we had been having so much fun, it seemed appropriate now to have some kind of service project. For this service we chose a Valentine party for orphans. After we had all eaten and played with the children, many of the girls' eyes were moist when the children had to leave.

The closing event for the year was a Farewell Party in honor of the Senior Sorelles.

We, as Junior Sorelles, feel that we have had a very successful year together and sincerely hope that next year, as Senior Sorelles, we will have as many exciting projects, good times, and as many wonderful experiences in working with each other as we have had this year.

On a certain Wednesday of each month you would see two women, Mrs. Margaret King and Mrs. W. Nichols at their wits end during a typical Senior Sorelle meeting. Donna Nichols, assisted by Sharon Romanoff, tries to call the meeting to order. Mitzi Sasse finally opens the meeting with the Lord's prayer. Barbara Roberts desperately takes down the minutes. Dolores Mechling begs for the money owed the Treasurer, as Jary Oberla scribbles the minutes as fast as she can write. Letty Laufer frantically tries to give her Inter-Club Council report above the noise.

Our first project of the year was giving a mass meeting honoring the football team. After much preparation, everyone came in on the right cue. We certainly hope it was a success. We held our annual Christmas party at the home of Nancy Keller. We exchanged gifts and sang carols. Later on we gave a party for our little sweethearts, the orphans, on Valentine Day. We had movies, valentines, presents for them, and all the food

they could eat. Everyone really had a wonderful time. Another project was helping with the P.T.A. card party. We distributed posters and helped decorate the gymnasium.

The seniors chose a group of the junior girls to provide them with the necessary background to be a successful club next year. At the end of the year the club was honored by the juniors at an annual social event held as a farewell to the seniors.

Now the year is rolling to an end. We look back on two happy years as Sorelles. Our sincere thanks to our advisers, Mrs. Margaret King and Mrs. W. Nichols, for helping us along, for without their guidance and help we would have been lost. The feeling of friendship and spirit of cooperation has always been with us. We certainly hope Sorelles to be will have as much fun and appreciate the club as the girls of 1950-1951 have.

Cheveaux Prefers to Travel by Horseback

Tally Ho! And we are off into a wonderful new year in which to plan and fulfill many things. The officers of our club are Alice Adrian, President; Carol Christen, Secretary; Shyrle Swanson, Inter-Club Council Representative; Carol Hansen, Treasurer and Pat Doren, Corresponding Secretary. We have as our school adviser, Miss Pasch, the Dean of Girls and as our parent advisers Mrs. Adrian and Mrs. Christen.

The purpose of our club is really ambitious—to learn to ride gracefully and skillfully. This learning to ride includes knowledge of the horse and the equipment as well as gaining riding ability.

For our other activities, which are purely social, there is a committee composed of active members. This committee has kept very busy this year planning and carrying out parties. We had a Halloween party at Carol Christen's house, with everyone turning out to eat, talk, and play games. After caroling until we could have "eaten a horse," we went to a Christmas party at Pat Doren's home. Besides these activities we have had a breakfast ride, a hayride, a house party, a tea, a slumber party and a ride and roast.

Our meetings are held on the first and third Monday of the month. These meetings are to plan future fun and also to learn more about the art of riding. By discussing horses—how they are bodily constructed, their temperaments, how to handle them, how to judge a good horse—we learn not only to ride horses, but also to know horses.

The other two Mondays of the month are for riding. Howard Stables in Lambertville, Michigan, is our destination on these days. Chuck Howard is our teacher and also chauffeur, for he picks us up at school and after we ride, he takes us home.

On the cold days last winter we would leave home bundled up in everything within reach. Perhaps the horses objected—we were all about twenty pounds heavier—for some of the girls were thrown, but they just climbed back up and started over again.

By springtime, even the beginners looked like fair riders and we felt we had spent a profitable year in Cheveaux.

Our Pigskin Gladiators

In early September the DeVilbiss Varsity squad showed plenty of promise in regard to size, speed, and all-around football ability at the annual premier. The following week the Tigers opened their regular season at home with a "revenge" win over the Detroit River Rouge team. Striving for their first league victory of the season the Orange and Black fell before the Scott team which later ended the season as City Champion. Against Central the Tigers captured their first league game in a rough contest.

DeVilbiss then started a string of road victories by defeating a strong East Liverpool Eleven. Returning home the Tigers annexed a second league contest by turning back Woodward. The following week a spirited group

of fans and players journeyed to Waite only to see the Bengals lose by one point in the closing minutes. DeVilbiss followed this loss with a win over Cleveland Shaker Heights. Spirited play marked this contest. The Tigers promptly turned on another Cleveland team, trouncing Euclid in a drenching rain at Cleveland.

DeVilbiss' winning ways on the road suddenly terminated when the Tigers fell before the powerful Middletown squad. To end the season special recognition was given at the annual football banquet to the all-city selections—Ray Riticher, Ted Scharf, Rol Kwiatkowski and Dave Dye. Burt Borgelt was voted the most valuable substitute by the team.

Tigers Tumble Turkey Day

On a cool, clear, ideal Thanksgiving morning DeVilbiss and Libbey met in the annual Turkey-day classic. The Tigers looked like a winning team at the start but a fumble on the Libbey seven yard line halted their first threat. The Cowboys took the lead in virtue of a blocked punt in the second quarter. Libbey dominated the second half of play by scoring on a touchdown and a safety. The score did not indicate lack of fight or spirit on the part of DeVilbiss, however

Dave Hardy—Line Coach. Mr. Hardy, a graduate of DeVilbiss, was a star athlete in his high school days. He continued to play football at Penn State and at Toledo University.

Hilton Murphy—Backfield Coach. "Murph" started his coaching at Zanesville after participating as a three-letter man at Muskingum University. Murph's easy going spirit is an inspiration to his boys.

Luther Hanshue—Head Coach. Mr. Hanshue brings his coaching abilities to DeVilbiss from several successful Ohio schools. Perhaps his best records being his two undefeated seasons at Newark where he was head coach

for eight years. May he strive to continue the winning ways he has compiled in his two seasons with DeVilbiss

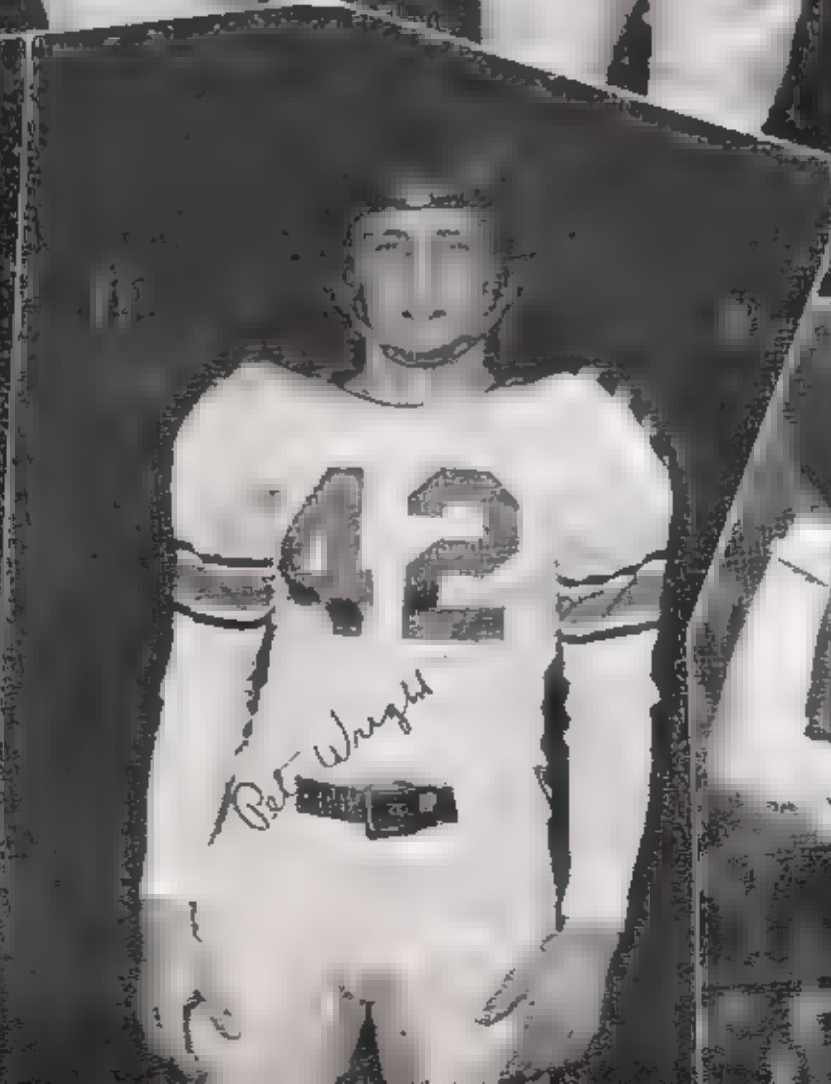

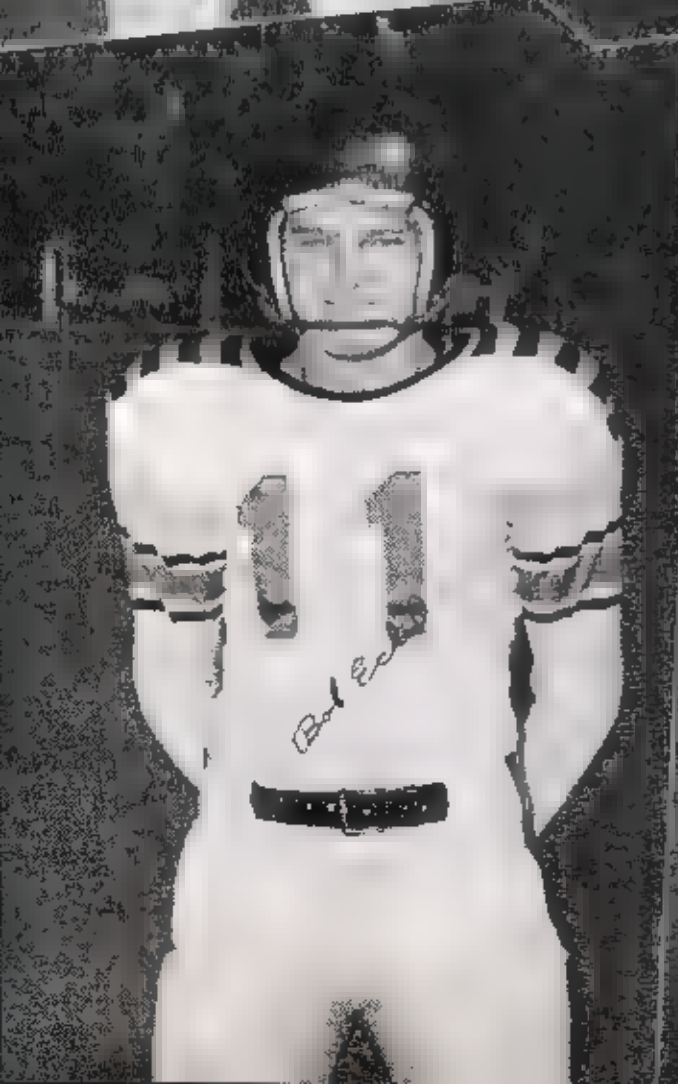

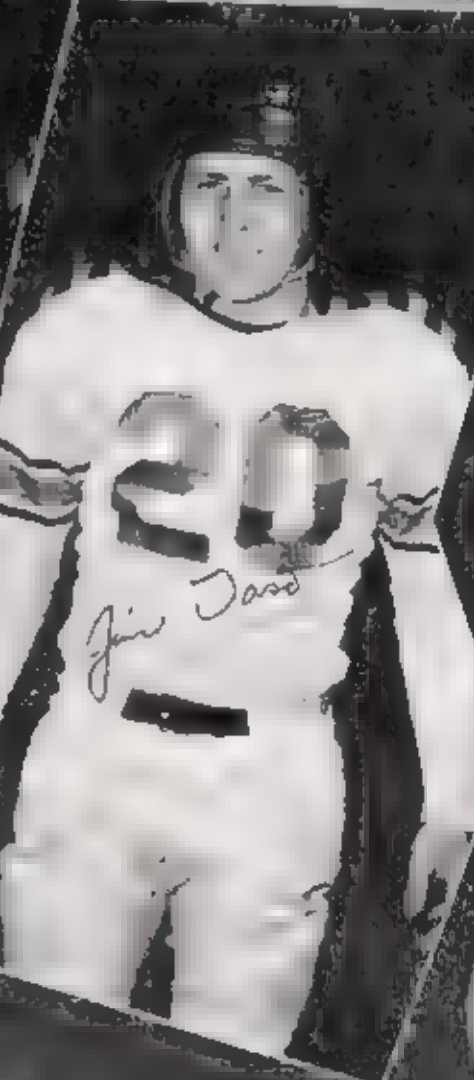

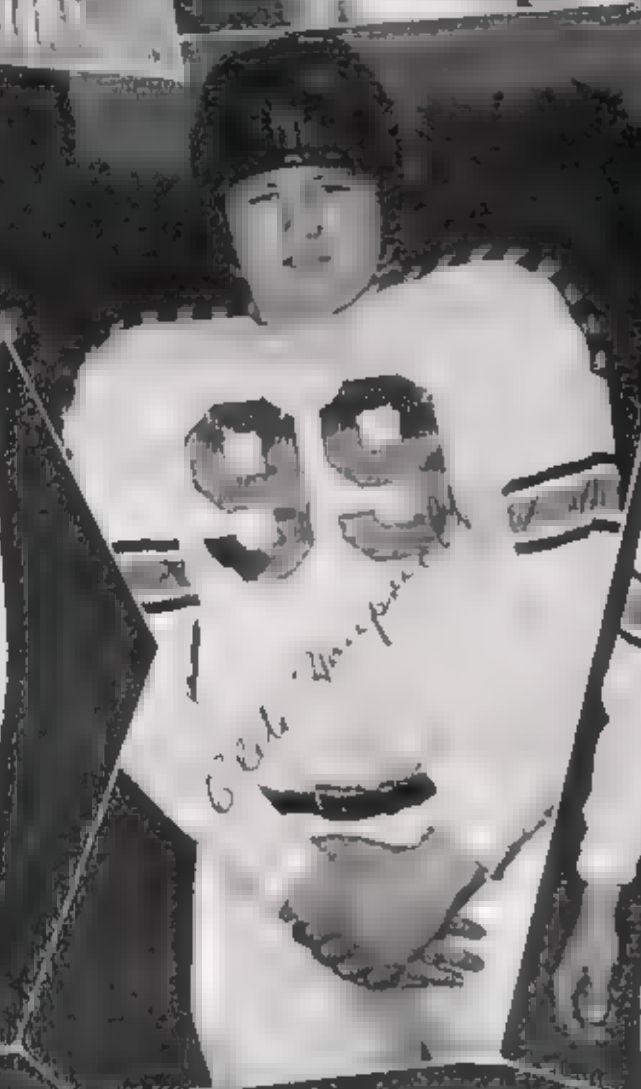

Tom Inman—Freshman Coach. Tom, another Toledo product, but from Waite, was an outstanding athlete at Bowling Green University. Tom has the touchy job of building clumsy freshmen into football players.

Don Black—Lightweight Coach. Mr. Black is the newest of all the coaches. He graduated from Libbey and went to both Toledo University and Michigan State. Don has the constructive job of shaping Mr. Inman's boys to fill Mr. Hanshue's strict requirements.

Handicapped at the beginning of the season with a prominent lack of height, DeVilbiss strived to continue the winning ways of the past year. The Tigers seemed doomed not to keep the coveted city title. Starters Dave Wisniewski, Bill DeYoung, Earl Sigg, Jim Shearon and Captain Chuck Beavers led the young Bengals.

DeVilbiss opened its season successfully with a well-deserved win over the highly potent Alumni. Stepping into city competition, the team found the going rough as it bumped into the fast-breaking Irish of Central. DeVilbiss showed Central some tricks before dropping a thrilling 44-43 verdict.

Macomber exhibited its championship form to beat DeVilbiss in Macomber's gym.

Meeting non-league opponents seemed ideal for the Tigers for they stopped Whitmer and Ottawa Hills in quick succession. Junior Earl Sigg sparked the Ottawa Hills' game with twenty points.

Going still farther away from city-league competition, DeVilbiss lost to both Columbus North and Akron North in the Lima Carnival.

City competition brought victory to DeVilbiss. Scott, one of the pre-season favorites, fell to a smooth working Bengal unit. The Tigers were led by Captain Chuck

Beavers who led the scoring with nineteen points. Dave Wisniewski played a beautiful defensive game holding All-City Hank Garn to ten points. At this point, DeVilbiss entered a losing slump not finding the range for the next six games. Included in this string were return contests with both city Co-Champions, Central and Macomber. The DeVilbiss-Macomber game was one of the finest in the city this year, taking Macomber four periods and an overtime to down the valiant Tigers. Due credit is given to two Sophomores, Little Jim Shearon (5'9") and Big Bob Mosier (6'7"). Besides these two, the usual stellar performances were turned in by Chuck Beavers and Dave Wisniewski.

In the next city league journey, DeVilbiss romped over Scott—at one time the score being 34-19. Our team's abilities showed in streaks all year but in this game it seemed to be at the peak of perfection. Sophomore Jim Shearon hit his season's high with twenty-two points.

February 10, DeVilbiss went to Newark, Ohio, on its

last road trip of the season. They ended up on the short end of a 48-36 score.

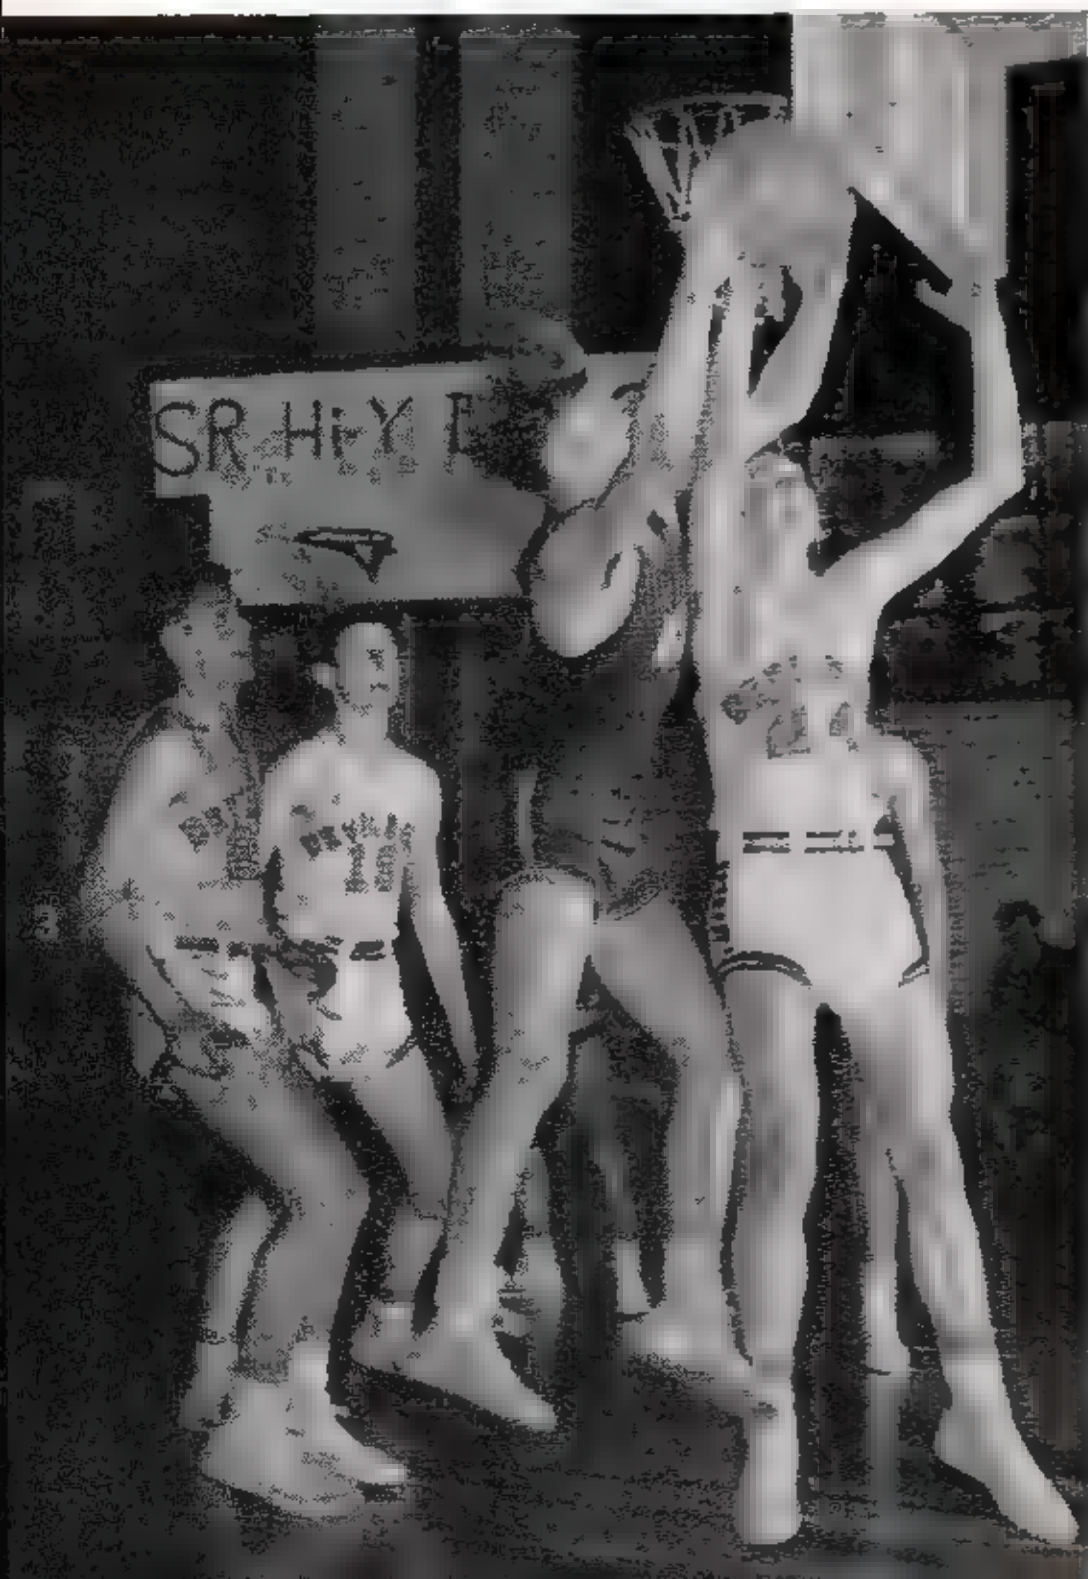

Third-place Woodward rudely set the Tigers back on their heels. The Polar Bears looked very good as they outlasted the gallant Bengals.

DeVilbiss took its last city-win from Waite in a foul-marred contest in which fifty-two fouls were called. Dave Wisniewski's fourteen points was the highlight of the contest.

Going over to Libbey for the last game of the season proved disastrous. DeVilbiss was set back by another one point reversal, the third this year. Sophomores Shearon and Mosier hit for a total of twenty-four points between them to lead the offense.

In the Sectionals, DeVilbiss drew Woodward. The Polar Bears continued their winning jinx over the Tigers: the score 44-37.

Captain Dick Leffler led his boys to a win-filled season with veterans Malcolm Bombrys, Bill Miller, Ron Schlievert, Jerry Bassett, Burt Borgelt and John Welch. The team won six and lost one against such powers as Cranbrook Military Academy, Van Buren High and Fostoria High. DeVilbiss lost its only match to the Ohio State Champs, Cleveland West. Burt Borgelt placed fourth in the State meet in Columbus.

GOLF

This year the golf team advanced to the state meet by finishing second in the district. Dick Shambaugh was medalist in the district meet with a fine 73 but the other boys all had a bad day and the team had to be content with second place.

They went to Columbus seeking revenge for their mediocre showing in district. The team showed their balance over 36 holes and won the meet with the record total of 628.

Dick Shambaugh, Bill Heidtman, Dick Peterson and Larry Leininger comprised this championship team.

TENNIS

The tennis team of 1950 proved highly successful with a contingent made up of mostly seniors. Don Blair doubled up with Walt Milbourne to take first place in the district meet at Bowling Green, Ohio and to go to the semi-finals against the best boys in the state at Columbus. Senior Karl Gerwer advanced to the finals at Bowling Green before bowing.

The other members of the team were seniors Roc Harris and Joe Bassett; and sophomores Bill Leake, Larry Resnick and John Rhuelin.

This year Walt Milbourne will be alone while Bill Leake and Larry Resnick will make up the number one doubles team.

Baseball: Another city-championship was put away as the careful planning of Coach Norm Kies paid off. With such boys as John Pazdzior, Jim Burkett, Jack Britton, John McHenry and Max Pirner to lead them, the Tigers became city champs and advanced to the finals in District before bowing.

Cross Country: The DeVilbiss Cross Country Team 1950 was led by Captain Tom Pawlowicz. Main c of the team were Bill Miller, Conrad Tanner, G Colston, Dan Ames, Bill Huffer, Tom Enni and Ch Sommerfield. The team won five and lost one cont placing third in the District Meet.

Speedsters Sprint to Win

At the beginning of the 1950 season, the prospects looked dim to Coach Norm Pollman. As the season got underway, the boys began to show themselves and with remarkable spirit and determination, the speedsters turned on the power which eventually lighted the way to a disputed City Championship. Losing but one dual meet all season, DeVilbiss came in second behind Libbey for city laurels. The underdog Bengals then turned on the Libbeyites and clawed out a victory in the all-important city meet. Coach Pollman and assistant Dave Hardy especially liked the prospects for the coming year with juniors Jack Miller, Bob Eckel, Gene Colson, Bill Miller and Jim Moras in the track events while Bob Atkins, Herschel Ulrich and Larry Wright will be the field veterans. Much will be expected of a couple of freshmen, Larry Boesel and Bill Huffer.

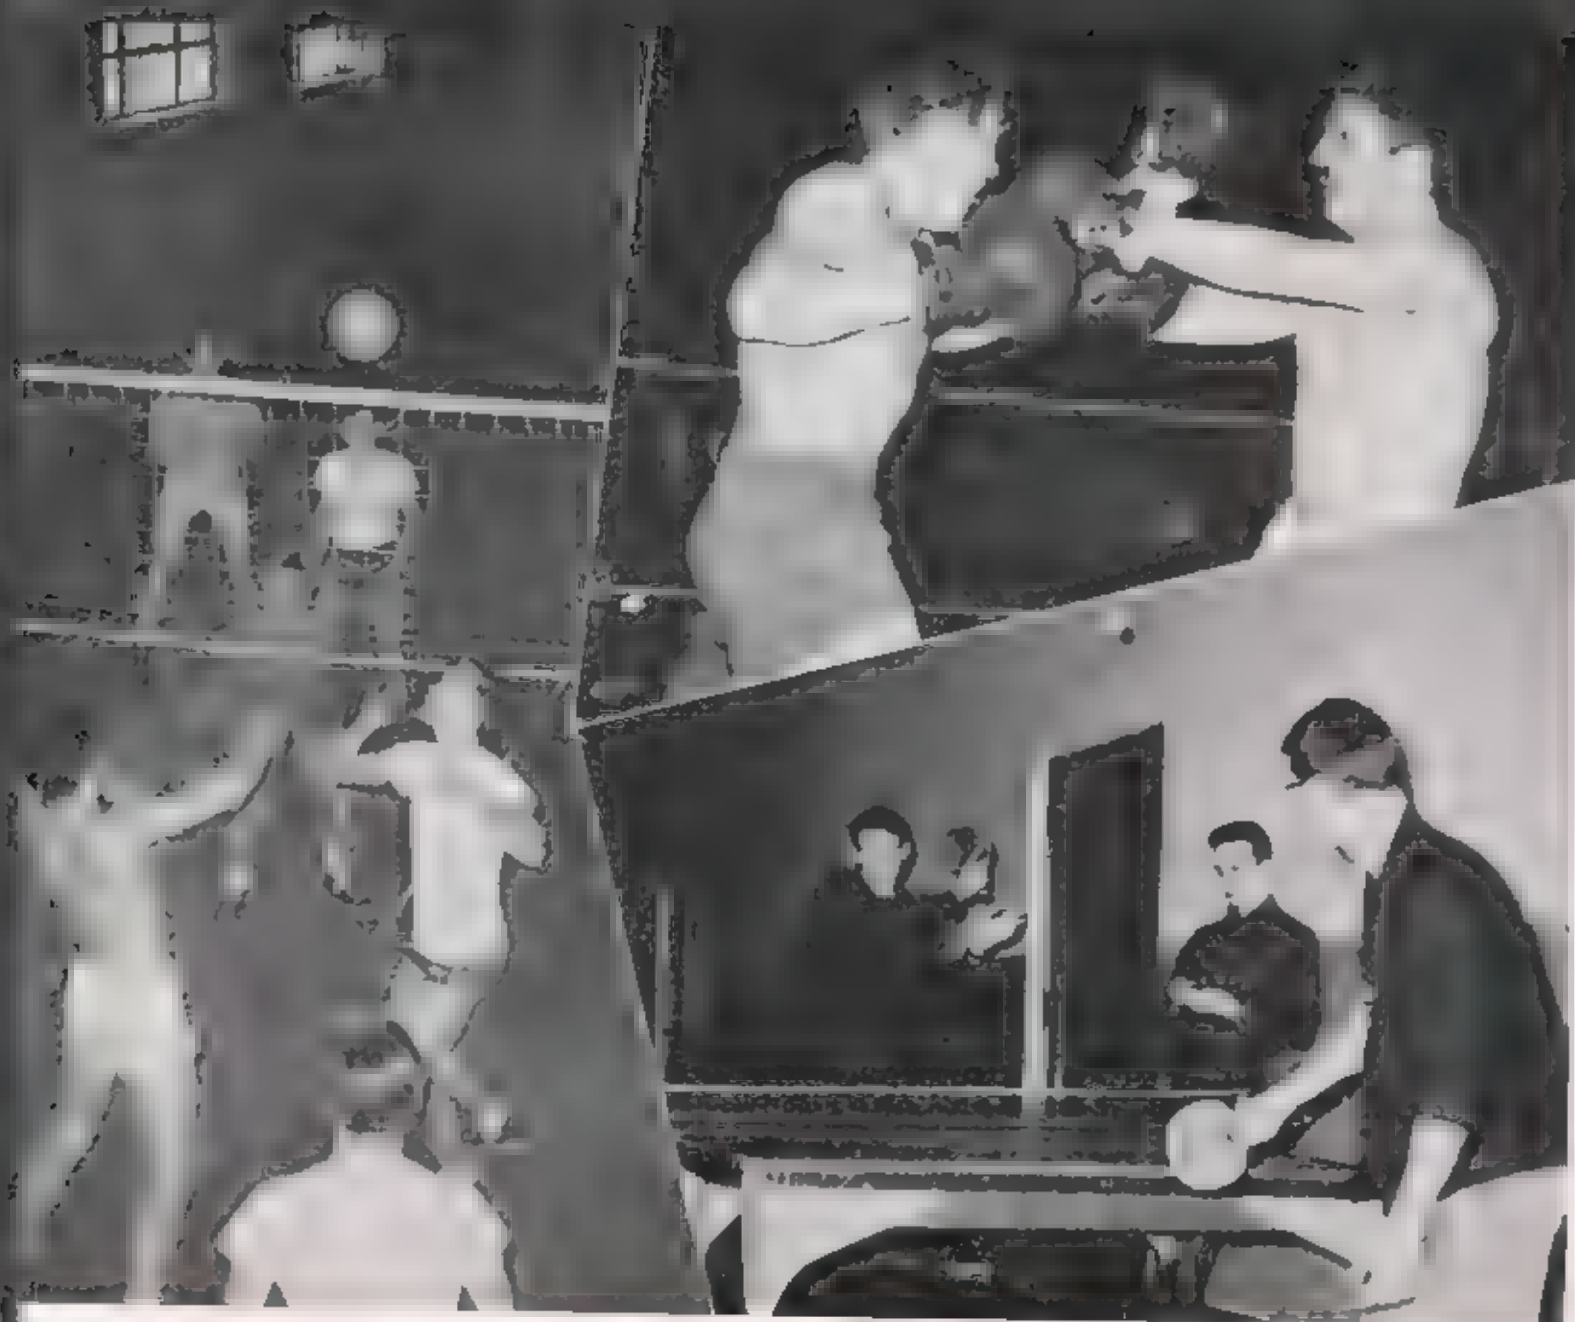

In the Annual DeVilbiss Night Relays, Mansfield showed its state championship form in defeating all other Class "A" schools. Oak Harbor duplicated the same feat in becoming the kings of Class "B". The most valuable athlete award went to Mansfield's A. C. Jenkins who later became state champ in both hurdle races.

The ping-pong tournament was organized, not to find a champion, but to aid in teaching the part of education not directly given in the classrooms. To begin with, the boys cooperated with each other. The work of preparing and carrying out the tourney was done with a most cooperative spirit. Next the participants developed fair play. There was little individual supervision and each person was considered his own referee. Finally, both the winners and losers learned sportsmanship. Thus ping-pong has greatly aided in developing a good character for all concerned.

This year Walt Milbourne repeated his championship game among the upperclassmen by defeating Harold Fike in three games, while Tom Adams won the underclass division.

To instill a more competitive spirit in school athletics, DeVilbiss continued its intra-mural program with the annual Silver Gloves boxing matches. Aspirants in all weight divisions were ready and eager to earn the little silver gloves.

The winners and their divisions were. Dick Jacobs, Flyweight; Don Harden, Bantamweight; Gordon Johnson, Featherweight; John Ray, Light-

weight; Bob Eckel, Welterweight; Ron Mason, Middleweight; Jerry Fels, Lighthouse and Cleve Haupricht, Heavyweight.

The intra-mural program was carefully rounded out in the gym classes this year. Competition was keen both with individuals and with teams showing great sportsmanship.

The Freshmen had to become acquainted with the fundamentals, a sometimes tedious but necessary task.

More familiar with the unusual gym routine, the Sophomores progressed to the point where they began more varied competition. They learned tumbling and other individual skills.

The Juniors began broadening their program with ring hockey, softball and soccer. This year, team play prevailed, with the boys working just as hard for the team as they did for themselves.

With four years of skills behind them, the Seniors have advanced through the building of skills and are now enjoying their profits. The Senior year is a full one with many fast games of speedball, football and basketball.

The Senior boys have now been developed to be a part in an organization and above all have been given a fair sense of brotherhood.

Students Enjoy Seasonal Sports

To develop skill and coordination, to teach good sportsmanship and to help the girls prepare for life—these are the aims of our girls' athletic program

Early in the fall the sound of hockey sticks meeting a shin or another hockey stick fills the air on the athletic field behind DeVilbiss. This sound continues, with the shout "Goal!" heard every once in a while, until November.

Basketball, always tops with the girls, is next on varied schedules. Now the gym is resounding with activity. Shouts of "Guard her! Guard her!" and "Shoot! Shoot!" are deafening for the girls really play hard at this game.

Because grace and poise are as important as skill, our athletic curriculum includes a type of dancing for every year. The Freshmen learn folk dancing and basic dance steps. The Sophomores proceed to tap dancing. Despite the public opinion that these dancing classes are "sissy" many girls discover muscles long unused, and one can usually tell the beginning of the dancing program by the limping participants.

Our early spring sport is volley ball. This is a favorite with the girls because it requires not only individual skill but also cooperation among all the members of the team.

Warm weather brings baseball to the minds of everyone and our girls are no exception. Last fall's hockey field now becomes a baseball diamond. Again the girls relieve the tension of the classroom with sunshine and fresh air.

Here in the gym, DeVilbiss girls learn things as essential in life as anything learned in the classrooms. They learn to keep both the mind and the body healthy; they learn cooperation; they learn the value of fair play in games and in everyday life.

Extensive Sports Program Offered Seniors

The senior year is one eagerly awaited by the girls of DeVilbiss. For this is the year when they can choose the sport which most appeals to them. Swimming—elementary, intermediate and lifesaving, bowling, horseback riding, fencing, tennis and regular gym are the most popular of the senior elective sports.

On Tuesday afternoon the Colony Bowling Alley is filled with girls who decided to try their skill at this sport. At first there are many gutter balls, but it isn't long before the pins are flying.

The Y.W.C.A. offers its facilities for the swimming, fencing and tennis. The girls' form in each sport isn't very good in the beginning but soon they are performing like experts.

Horseback riding classes are given at the Howard Stables in Lambertville, Michigan. Here the girls learn riding fundamentals by experience.

The Girls' Athletic Society, better known as G.A.S., is an organization for girls who are especially interested in sports. A branch of this is the Leaders' Club. These leaders act as referees, scorekeepers and general assistants to the gym teachers. Both clubs are a vital part in the girls' athletic curriculum for they are the ones which add the extra spark that makes our sports program so enjoyable.

HARRIET KIMBLE

In 1936, Miss Harriet Kimble, a Social Studies teacher, transferred to DeVilbiss from Waite High School. Actively interested in world affairs, she was a member of the World Federalists and the United Nations Association.

All of her former students and her faculty friends are happy that she now has the leisure for continuing her civic interests and time for recreational activities.

Miss Charlotte Burwick, before her retirement in 1950, was for several years chairman of the Orientation Course of study for Freshmen. Her faith in the philosophy behind this subject was inspirational to her co-workers. Her enthusiasm in the classroom, her vital teaching of Freshman English and her love of literature, will long remain in the hearts and minds of the students who were in her classes. May she have an abundant and happy life outside of the classroom.

CHARLOTTE BURWICK

ETHEL WILLOUGHBY

Miss Ethel Willoughby, Chairman of the English Department and teacher of English for nineteen years in DeVilbiss, retired this year. Her quiet personality, her interest in her subject, her pleasure in working with her classes—all made her a teacher who will be remembered by her students.

We wish her happiness and contentment in the days of her non-school teaching years ahead.

It is given to only a few to use their life span to benefit all generations to come after them . . . Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. Toledo Edison, a business managed, tax-paying electric company, is proud to be so honored. In this our 50th Anniversary Year we renew our pledge to serve our customers to the very best of our ability.

A TRADITION OF NEW DEVELOPMENT

Backed by a tradition of new development, the name Owens-Illinois today stands for quality products.

The history of Owens-Illinois is highlighted by developments which have made material contributions to better living.

The invention of the Owens bottle machine in 1904 by Michael J. Owens, one of the Company's founders, made it possible to mass produce low-cost glass containers.

Glass tumblers and other tableware are plentiful and inexpensive today because in 1906 Libbey Glass developed techniques for making them automatically.

Kaylo calcium silicate building and insulating products, first introduced by Owens-Illinois in 1943, make buildings warmer and more fireproof.

Many people enjoy better television today because in 1949 Owens-Illinois developed the rectangular all-glass bulb which makes possible better television pictures and smaller cabinets.

These are but a few of the developments which are reflected in products that the Company produces. More could be mentioned and there will be many more in the future.

A continuous program of research and development benefits the public as well as Owens-Illinois, a name that stands for quality products.

A Kippa driving his convertible with the top down was wearing a bright red shirt, a polka dot tie, a red and white checked suit, and a purple beret. A motor cop stopped him and made him pull over to the curb.

"What's wrong, officer?" asked the lad. "I haven't violated any traffic laws."

"I know," said the cop, "I just wanted to hear you talk."

"Were you copying his paper?"

"No, sir, I was just making sure he had
mine right."

A westerner entered a saloon with his wife
and three-year-old son, walked up to the bar
and ordered two straight whiskies.

"Hey, pa," said the kid, "ain't ma
drinkin'?"

Barb: "I've heard a man's arm is just equal
to the circumference of a girl's waist."

Walt: "I'll go get a string and we'll see."
